SENATE BLOCKS U. S. FROM EUROPEAN WAR!

BRITAIN WILL FIGHT ITALY AGGRESSION

Cabinet Leaders Adopt Firm Stand Against Ethiopian Row

MAY SEEK U.S. HELP

Cooperation Outside Geneva Hinted for Peace Solution

(Copyright, 1935, by Associated Press)
LONDON, Aug. 21.—Seven leaders of the British cabinet today tentatively approved a policy demanding financial and economic action against Italy if that country attacks Ethiopia.
The ministers had been called into a special, informal session by Prime Minister Stanley Baldwin. They conferred two hours.
Their decision, although tentative, calls for a strong British stand at Geneva in the forthcoming League of Nations sessions, for financial and economic sanctions.
This idea will be taken up by the full cabinet tomorrow in an emergency meeting.
Throughout the day there were indications Great Britain might seek American cooperation outside Geneva for a solution of the Italo-Ethiopian crisis. It was indicated, also, that Britain would welcome an invocation of the Briand-Kellogg pact by the United States.

LAVAL MAKES SECRET PEACE NEGOTIATIONS
PARIS, Aug. 21. (P)—Premier Laval is negotiating secretly with Premier Mussolini in an effort to limit war against Ethiopia, if he cannot prevent it, it was learned today.
Laval hopes, if the worst comes to the worst, that military action can be confined to Ethiopian disarmament and the policing of frontier strips.
He sent Baron Pompeo Aloisi, Italy's representative at the abortive tripartite conference in Paris, back to Rome carrying Laval's hope that Duce would take the middle course between conquest of Ethiopia and the British plan of concessions and thus avoid a break with France.

OIL SHORTAGE IS FORECAST

SAN FRANCISCO, Aug. 21. (P)—Predictions of a shortage of petroleum in the United States in the next five to eight years were made today to the petroleum division of the American Chemical society in a paper by Dr. Benjamin T. Brooks, consulting chemist of New York, and L. C. Snider, New York geologist.

BULLETINS

(By The Associated Press)

\$100,000 FIRE OUT
MUNICH.—Fire, extinguished after destroying the upper part of the Swiss consulate today caused injury to 15 persons, and property damage of \$100,000.

WIFE KILLER HANGS
EDMONTON.—William Hawryluk, 43, was hanged today for the murder of his wife last winter. He was convicted of having poured kerosene over his wife and set fire to her.

Want a Free Farm?
Stanton Woman Offers One for Use

Want a free farm? If you've an urge to go back to the soil, get in touch with Mrs. Don L. Davis at Claire and Western avenues, Stanton, for she has one and a half acres of land in Stanton, 11 miles northwest of Santa Ana, the use of which she offers free to anyone who wishes the land for cultivation purposes.
Attracted by The Journal's Swap Column, Mrs. Davis wrote in about her land.
"None of us knows how to farm, nor have we the time or implements for that work. The sight of good, fertile soil growing only sunflowers and weeds is disgraceful," she says.
"Perhaps some charitable institution or county project would care to benefit by this? The land's to be had for the asking."
Want it?

County's \$2,119,773 Budget is Adopted Over 'No' Vote by Supervisor N. E. West

Selassie Weeps As Forecasts A World Drenched In Blood

(Copyright, 1935, by Associated Press)
ADDIS ABABA, Aug. 21.—Weeping as he talked, Emperor Haile Selassie predicted to the Associated Press today, in an interview, that war between Italy and Ethiopia would not only drench the two countries in blood but might drag in the whole world.
"If, unhappily, such a conflict leads to a world struggle between the black and white races," said the emperor, "the very existence of humanity itself is threatened. We will be back in 1914."
"There will be no more security for the world in the future than there was then. International treaties will have no more validity than the word of a thief."
"I fear that neither the United States, nor England, nor the other great powers realize the gravity of the situation."
"My own people have sufficient courage, endurance, and patriotism to bear the brunt of Italy's assaults alone. But if, unfortunately, other nations are drawn into it as they surely will be, it will be a disaster of the first magnitude."
"I pray to God daily that such a catastrophe may be averted."

OIL HEARING IS DELAYED

Tidelands Wells at H. B. Will Be Surveyed by Committee First

The state senate committee empowered to investigate oil production and the amount of royalty paid to the state by whippstock wells at Huntington Beach probably will make a survey of these slant-drilled wells before holding its hearing in the middle of September. The committee's task is to get information on production and royalty payments for all wells taking oil from the state's tideland pool.

An Associated Press dispatch today said the hearing, scheduled for August 26, has been postponed to the middle of September.
Senator N. T. Edwards of Orange, a member of the committee, today received a letter from Senator Culbert Olson of Los Angeles, chairman, informing him that the committee's appropriation has been increased from \$2500 to \$15,000, with \$5000 more to be made available by Governor Merriam if necessary.

Senator Olson said he hoped to employ Alexander Anderson, Fullerton oil well surveyor, to survey the Huntington Beach wells and provide data for the committee at its hearing. Mr. Anderson surveyed whippstock well at the beach city when the state was suing the slant-drilled operators there about a year ago. These operators later agreed to pay royalties to the state for oil taken from the state's tideland pool at Huntington Beach.
Senator Edwards said he replied to the letter, saying that he believed it was a good plan to delay the hearing until after the survey is made, and that he saw no objection to the survey if the cost is reasonable. He pointed out, however, that a number of the wells already have been surveyed.

SEEK TO KEEP COTTON TAX

WASHINGTON, Aug. 21. (P)—Discontinuance of the cotton processing tax was opposed today by the special cabinet committee which has been studying bills of the textile industry.

SHARE GIVEN FOR RELIEF ATTACKED

'Unemployed Do Much to Hold Back Recovery,' Says Farm Leader

TAX RATE NOT SET
Assessed Valuation of Utilities Property Must Be Fixed

Orange county's \$2,119,773 budget for the fiscal year 1935-36 was adopted this morning at a hurried meeting of the board of supervisors. The adoption was over Supervisor N. E. West's opposition. Chairman John C. Mitchell and Supervisor LeRoy Lyon were absent.
In voting against acceptance of the budget Supervisor West said he could not consistently vote to accept the budget as there were several items included which he thought should have been left out. The Orange county farm bureau had protested adoption of the present budget on the grounds that \$338,095 allowed the welfare department for the year is too great.

Raps unemployed
Dion R. Gardner, spokesman for the farm bureau, told the supervisors yesterday that "if any one should go short, let it be the unemployed. It is far better that they have a shortage than the taxpayers. Nothing retards recovery so much as the unemployed, not because of the injury to their morale. They soon reach the point where they won't work."
While the supervisors accepted the budget today they have not yet adopted the tax rate. This may be done at the next meeting of the board if County Auditor W. T. Lambert has received exact figures.

CRACKUP FATAL TO ACTRESS

HOLLYWOOD, Aug. 21. (P)—Marjorie White, 27-year-old movie actress, died in Hollywood hospital today from injuries she suffered in an automobile collision yesterday.

Miss White sustained several rib fractures, a broken shoulder and internal injuries as the auto in which she was riding with Marjorie Lovell and William Meekie slid under another machine.

Miss White began her theatrical career at the age of four. She came to Hollywood in 1929 and appeared in such pictures as "The Golden Calif." "Movie-tone Follies of 1930," "Sunnyside Up" and others.

AUSTRIA LINES WITH IL DUCE

VIENNA, Aug. 21. (P)—Weiner Zeitung, the official government mouthpiece, today banner-lined an editorial which places Austria unequivocally on the Italian side in the East African dispute.
Captioned, "Europe or Ethiopia," the editorial praised the honesty and frankness of Mussolini, who "is not a hypocrite and openly admits his hunger—hunger for land, new resources and wealth."

Webb Tells How New Old Age Pension Works

How does the new state old-age pension act operate? How does it affect you or your friends, if they come under its provisions? Attorney General U. S. Webb yesterday outlined various provisions of the measure, showing how it operates, and interpreting various provisions which had been more or less in the dark.
List Of Rulings
Here are the rulings of the attorney general's office.
Section 3 of the old-age security act, as amended, reads as follows:
"The amount of aid to which any applicant shall be entitled shall be fixed with due regard to the conditions existing in each case, but in no case shall it be an amount which, when added to the income of the applicant from all other sources, shall be less than \$20 nor more than \$35 per month; provided, however, that it is the intent and purpose of this law to allow to each and every applicant qualified under the provisions of this act, who is not in receipt of board and lodging in the private home of a relative or friend, nor of any income from other sources whatsoever, the sum of \$35 per month."
In ruling on the provision of the act, Webb said:
"While it is true that the proviso contained in section 3 states that it is the intention and purpose of the act to allow qualified applicants not in receipt of board or lodging or of any income the sum of \$35 per month, we believe that the proviso in question is no more than an announcement of policy by the legislature as to the desired administration of the act."

Charge Solution of Parking Problem Up To Downtown Folks

Automobiles belonging to business and professional people and their employees must be removed from downtown streets if parking conditions are to be improved and trade from outside cities is to be stimulated.
A group of business leaders backed up this opinion yesterday afternoon by adopting a resolution urging employers to secure parking places for themselves and their employees, off the streets. The joint city and chamber of commerce parking committee will contact employers in a concerted attempt to gain cooperation in this movement.
A number of the business houses have been following for some time the policy of keeping their automobiles off the downtown streets. It was pointed out yesterday. Employers, realizing the necessity of keeping parking spaces open for customers, have insisted that those working for them find other places to leave their cars.
It was agreed that business and professional people are the ones most vitally affected by the parking problem because they are in a position to reap the benefit of increased trade expected to result from the removal of their cars.
(Please Turn to Page 2, Col. 1)

MAY EXTEND 3RD SUSPECT ARRAIGNED

President Confident Of Congressional Action Continuing Program

WASHINGTON, Aug. 21. (P)—President Roosevelt expresses the belief that the national youth administration, set up with \$500,000 of work relief funds, may become permanent.
After Harry L. Hopkins had told state directors of the organization the aim was to provide "economic security" for young people, the president said to them yesterday:
"If the experiment is a success, there is not much doubt in my mind that future congresses will continue the work. You are building for the future, not only for the coming year."
Among other things, the administration will seek to create part-time work for boys and girls in high school and college. The directors came here for instructions before starting the task.
Hopkins, Works Progress administrator, had told them that "providing economic security for young people" would mean a fight because:
"We cannot provide economic security if we do not divide the national income on a different basis than it was in 1929. Great sectors of American opinion are opposed to this."
A warning to slash red tape was voiced to the directors by Mrs. Roosevelt.

SUBWAY DEATH TOLL IS 22

BERLIN, Aug. 21. (P)—Small hope was felt today that any of the 22 men unaccounted for in the collapse of a partly-built subway were still alive.

It was impossible to determine how many men were working at the scene at the time of the accident. Survivors placed the number missing at 22.
Detective Lieutenant Edmund Mansfield of the Los Angeles police department said Stambaugh had confessed to having participated in holdups in Los Angeles, Huntington Park and Santa Ana.
Chief of Police Howard said today there are several other robberies in Southern California believed to have been committed by this same gang. Robberies attributed to Stambaugh and Sheldon include a \$4000 robbery of the San Pedro branch of the Montgomery Ward company, the \$5000 holdup of the W. T. Grant company in Huntington Park, and the \$3500 robbery here.

K. C. RE-ELECTS U. S. LEADER

NEW YORK, Aug. 21. (P)—Martin H. Carmody, of Grand Rapids, Mich., was reelected supreme knight of the Knights of Columbus at the annual convention today. This will be Carmody's fifth term. He serves two years.

F. D. R. TO TALK TO SCOUTS

WASHINGTON, Aug. 21. (P)—President Roosevelt will talk over the air tonight to the Boy Scouts of America, assembled in their respective camps in place of the cancelled jamboree planned here. The president will talk for six minutes.
MAYSVILLE, O., Aug. 21. (P)—Wiley Post came home today to the spot where he first dreamed (Please Turn to Page 2, Col. 6)

City Will Pause Hear Taps For Rogers Tomorrow

The city's hum will pause tomorrow afternoon at 2 o'clock as taps are sounded here in parting tribute to Will Rogers, beloved humorist and philosopher.
From the top of the First National Bank building a squad of four buglers from the Santa Ana American Legion drum corps will sound taps. Two buglers on top of the courthouse will play the echo.
Simultaneous with the "quiet" ceremony in Los Angeles, taps will be sounded here in honor of the ex-cowboy philosopher, Ralph Hoover, commander of the drum corps, is in charge of arrangements for the ceremony.

NATION SET TO HONOR ROGERS

Service to Be in Bowl, Forest Lawn; Body in State Before Noon

CALIFORNIA MOURNS Governor to Proclaim Moment for Tribute During Funeral

LOS ANGELES, Aug. 21. (P)—With the expected arrival here from the east late this afternoon of the bereaved family of Will Rogers, final arrangements for the famed humorist-actor's funeral services were held up.
Mrs. Rogers and the three children, Will Jr., Mary and James, were expected to leave the train at some point outside the city and drive first to Glendale, where the comedian's body, lying in a simple bronze casket, rests in Forest Lawn chapel.
State to Mourn
As the entire nation prepared to pay honor tomorrow to "the man who never met a man he didn't like," Governor Frank F. Merriam announced he would proclaim a statewide moment of mourning during the funeral hour tomorrow.

The body of the beloved Rogers, returned here last Monday in company with his flying-companion of the ill-fated Alaskan journey, Wiley Post, was dressed in characteristic fashion—blue serge double-breasted suit, white shirt, soft collar and black bow tie.

A military guard of honor, composed of two score army fliers from March field, home of the first wing of the General Headquarters Air Corps, will attend the casket of Rogers as the first of several observances is held tomorrow.

Studios Close
For the first time in the history of the motion picture industry, every studio in Hollywood will cease all activity at 2 p. m. tomorrow as special services in honor of the dead co-worker are held.

And while private services, with only members of the family and a selected group of intimate friends in attendance, are held at Forest Lawn, thousands will gather in the Hollywood Bowl for services in which every city in the Los Angeles metropolitan area is represented.
Conrad Nagel, actor and close friend of Rogers, will read a selection, and Rupert Hughes, noted writer, will deliver the chief eulogy.

During the morning, until noon sharp, gates of Forest Lawn will be opened and countless friends and admirers of Rogers will be permitted to file by the flower-draped casket, placed under the pine trees just outside the Wee Kirk o' The Heather chapel.

WASHINGTON, Aug. 21. (P)—President Roosevelt will talk over the air tonight to the Boy Scouts of America, assembled in their respective camps in place of the cancelled jamboree planned here. The president will talk for six minutes.

John Citrus Saw:

W. B. WILLIAMS out for a morning walk.

HOWARD I. WOOD gesturing emphatically as he talked to Carl Mock.

LESTER FOUNTAIN returning to get advertising copy he had left under a newspaper in a restaurant.

"SUNNY" SUNDQUIST walking thoughtfully out of the courthouse annex.

LENA BELLE HUGHES smilingly telling tourists of Santa Ana's attractions.

SEVEN POINT NEUTRALITY ACT PASSED

Roosevelt Favors Move; Action by House Is Being Sought

FILIBUSTER FADES Munitions Group Gives Up; Arms Embargo Is Proposed

WASHINGTON, Aug. 21. (P)—A seven-point resolution designed to safeguard American neutrality in event of a foreign war was adopted today by the senate.

Attempts already were underway to assure house action. President Roosevelt was reported in favor of the move, coming as it does at a time when the Italo-Ethiopian situation is posing grave questions for European governments in particular.

Stirred into action by ominous war signs abroad and a filibuster by munitions committee members the senate speedily endorsed the foreign relations committee compromise resolution.
Fix Compromise
Representing a compromise between a more drastic program advocated by the special munitions investigating committee headed by Senator Nye (R., N. D.), and state department attitude, the resolution provides:
A mandatory embargo on exports of arms, munitions and implements of war to all belligerents in a foreign conflict.
A system of licensing munitions manufacture and export as a permanent policy of this government, along the lines of the Geneva armistice of 1925, ratified earlier in the session by the senate.

A ban against American ships carrying arms or munitions under embargo to any belligerent port or any neutral port for reshipment to belligerents.
May Ban Traveling
Authority for the president to prohibit American citizens traveling on ships of belligerent nations, except at their own risk, with 90 days allowed for citizens to return home from belligerent areas.

Authority for the president to prevent ships, foreign or American, from carrying men or supplies to belligerent vessels at sea.
Authority for the president to restrict or prohibit the entry of (Please Turn to Page 2, Col. 2)

Boys Haul Brother 6 Miles in Little Wagon to Hospital

LOS ANGELES, Aug. 21. (P)—Hauled six miles in an improvised ambulance—the little red wagon of his younger brother—Raymond Nuno, 11, was treated today at the general hospital.
Raymond's foot became infected after he stepped on a rusty nail. His brothers, Javier and George, 9 and 8, hauled him to the hospital from their home in the southern part of the city.

COUNTY RELIEF COST JUMPS TO \$2,300,000, PEAK LOAD 5256

FIGURES TOLD BY WELFARE DIRECTOR

Single Japanese Family On Relief; 1328 Cases On Rolls Now

Relief expenditures in Orange county have jumped from \$422,000 in the fiscal year 1930-1931 to \$2,300,000 in the year 1934-1935. The case load in the former year was about 3500. At the peak the case load for 1934-1935 was 5256.

These cost figures, given before the Rotary club yesterday by Byron Curry, county welfare director, were confirmed by him today, when he also said that the allocation for the State Emergency Relief administration and the Works Progress administration in 1935-1936 is so far an unknown figure.

In 1930-1931 Orange county carried on its own work relief program, employing about 3500 heads of families. Since that time the federal government has handled the work relief situation under the Civil Works administration, the SERRA and now the WPA.

No Comment on Range

Mr. Curry did not comment yesterday on the great difference in cost between the federal government program and the program administered in Orange county. He said today he had no comments to make.

Mr. Curry also gave figures yesterday showing the case and handled through the county welfare department. The total number of cases of all classes, he said, is 1328.

One Japanese on Relief

In response to a question yesterday, Mr. Curry replied that there is now only one Japanese family on relief. While there is a relatively small number of Japanese in Orange county, the percentage of relief cases from that race is thus very much smaller than the percentage for other races.

The county's 1328 relief cases were listed as follows:

Regular county indigent cases, 438; state aid for the aged, approved applications, 400; new applications for state aid for the aged, 200; state aid for the blind, 35; dependent and orphan children, 170; aged boarding home cases, children's boarding home cases and institutional children's cases, 85.

560 on Relief

In order to be eligible for county welfare aid it is necessary to have a residence of three years in California, whereas the SERRA has required one year of residence. All persons given SERRA aid are required to be employable, but because of the lack of projects fitted to some of those unable to handle heavy work, there have been varying numbers on direct relief. This number now is about 560.

MORE ABOUT PARKING

(Continued from Page One)

from providing more parking space for outside customers.

In order to support the movement, the group which met in the chamber of commerce building voted to request the city council and police department to assign an officer to study the problem and cooperate with the business and professional groups in securing parking facilities off the streets.

The most effective means of attaining this goal, it was suggested, will be to secure vacant lots on which the cars can be parked.

Improvements Noted

Councilman Ernest Layton, chairman of the joint parking committee, pointed out that the recent campaign conducted by Police Chief Floyd Howard to take drastic action against regular offenders has resulted already in a considerable improvement in parking conditions. The home folks are the worst violators of parking limits, it was pointed out, and it is these people, rather than tourists or people from other towns, who are most often fined for overtime parking.

Various aspects of the parking situation were brought out in discussion before a plan of action was reached.

In response to a question, City Engineer J. L. McBride reported that there is room on parking lots for a total of 1103 cars, that there is space for 870 cars in one-hour zones and for 1074 cars in two-hour zones.

Angle Parking Urged

Walter Vandermast called attention to the fact that a large number of professional people in office buildings also find it convenient to park their cars on the streets. He suggested that they be contacted also in the movement to provide more space.

T. E. Stephenson pointed out that the motive behind the parking study is to facilitate trade in local business houses, and said that for this reason he believes drastic action in arresting offenders may act as a boomerang, particularly if these people are from outside Santa Ana. Mr. Stephenson also suggested more angle parking.

Stanley Goode suggested that if cars are kept off the downtown streets there will be a tendency for them to move into surrounding residential sections and that this will create a problem for those living in those areas.

Would Extend Time

Police Chief Floyd Howard suggested in this connection that an

ROGERS' SERVICES TO BE HELD HERE

"Wee Kirk o' the Heather" in Forest Lawn Memorial Park, Glendale, where services will be held for Will Rogers. The services will be held for the family and his immediate friends, and will be held Aug. 22. A public observance will be held at the same time in the Hollywood Bowl. (Associated Press Photo)

MONKEY FREEZING HALTED Hollywood 'Revival' Fails!

HOLLYWOOD, Aug. 21. (AP)—Ralph S. Willard, Russian-born chemist, sought the sponsorship of an accredited university today for his experiments in freezing and reviving animals.

He and Dr. C. C. Warn, city humane officer, appeared in disagreement over whether the chemist was halted in the midst of a semi-public demonstration yesterday of the attempted revival of a frozen monkey by the threat of arrest.

After Willard had explained to newspaper men and others, including Caryl Fleming, president of the Pacific Coast Association of Magicians, of his hope to kill certain disease germs by keeping the animal or human victim frozen for a time, he produced the monkey and placed it in a heating cabinet. He said eight to 12 hours would be needed to revive the simian.

When about half that time had elapsed he abruptly announced he was facing arrest and disconnected his apparatus, adding that there now was no possibility of reviving the monkey.

"I did not say whether I would or would not make an arrest," said Dr. Warn. "I told him to

beligerent submarines into American waters or ports.

A national munitions control board to administer the program, consisting of the secretaries of state, as chairman; treasury, war, and commerce, and the chairmen of the senate and house foreign relations committee.

Except for a few questions put to Chairman Pittman of the foreign relations committee and a extension of the two-hour parking limit zone would help to remedy this situation. The matter was discussed but no recommendation was made on this point.

Lester Fountain also reported that he has noticed considerable improvement in the situation, particularly on Fourth street, during recent weeks. He said he felt this was due to activity of the police department to a great extent.

Ray Goodell called attention to the practice in some cities where stores provide free parking lots for their customers. He suggested that some such system as this would help, pointing out that equally beneficial results might be obtained if lots were provided for employees of business houses.

"Problem Goes Deeper"

Howard L. Wood, chairman of commerce secretary, said that while police control is one important factor in handling the situation, he believed that the problem goes deeper than that because the primary need is to supply more parking space. He also suggested that if parking lots are used on which a charge is made, such charges should be paid by business people and their employees rather than by customers.

Wilbur Barr made the suggestion, however, that if such lots are used, it might be possible to make them available to customers without charge. Mr. Barr, as well as the others present, agreed that taking local cars off the streets is the first step toward a solution.

"Up to Business Men"

Hugh J. Lowe said that he believed the problem is largely one in which the business and professional people can help most toward a solution and that employers should take the responsibility of seeing to it that they and their employees keep their cars off the streets.

Members of the parking committee in addition to Mr. Layton are T. E. Stephenson, City Engineer J. L. McBride, Wilbur Barr, Herbert L. Miller and Police Chief Howard.

Others present at the session were Stanley Goode, Ray Goodell, Lester Fountain, Clarence Powell, Walter Vandermast, Alex Brownridge and Hugh J. Lowe.

OLD VET HEADS REIGN AGAIN

The old order reigned again last night at meetings of Calumpit post and auxiliary of the United Spanish War Veterans when past comrades and past presidents took the chairs in celebration of the birthday anniversary of the auxiliary.

Miss Stella Dresser took the president's chair at the auxiliary meeting. With her sat Mrs. Bertha Dixon as senior vice; Mrs. Jean Tantlinger, junior vice; Mrs. Hazel Hall, chaplain; Mrs. Elizabeth Moberly, conductress; Mrs. Catherine Reagan, assistant conductress. Other past presidents acted as color guards.

Mrs. Ida Blakemore, department junior vice president, of Long Beach, headed the group of department officers present. Mrs. Edna Hamah of Santa Ana, department recording secretary; Mrs. Cora Field of Orange, department treasurer, and Mrs. Bertha Helmer of Santa Ana, department corresponding secretary, also were present.

September 18 was set as the date of a steak bake at Irvine park with the camp.

At the Calumpit camp meeting, Charles E. Waffie sat at the head of the executive staff as commander. W. W. Tantlinger served as senior vice commander; M. C. Cooper, junior vice commander; W. R. DuBois, chaplain; C. W. Kincaid, sergeant-at-arms; U. S. Glaze, senior color sergeant.

Parade rest was paid in tribute to the late Will Rogers as part of the business ritual.

The past commanders' night was decided upon as an annual event to be held in conjunction with the past presidents' night of the auxiliary and their birthday anniversary.

Elwood Finney, 84 years old, was made the senior member of the camp last night. Ten visitors were present. A delegation from Long Beach camp No. 94 was headed by Walter L. Lynch, commander. W. R. Winders of Huntington Park and John W. Williams of Santa Ana camp, Pocatello, Ida, also were present.

A huge pink and white birthday cake, which Mrs. Luella Randal had made, was cut in observance of the anniversary and served with ice cream, following lodge meeting. Mrs. Helmer was chairman of the program, and Mrs. Clo Showalter was in charge of refreshments.

MORE ABOUT BUDGET

(Continued from Page 1)

notification as to the assessed valuation of public utilities' property in Orange county, which has not yet been finally fixed by the state board of equalization.

Moving adoption of the budget today, Supervisor Jerome declared: "I think the board's view of the welfare problem is well substantiated by conditions we now see existing in the state program. As agents of the people we would be remiss in our duties if we were to cut the welfare and hospital budget at this time."

West Urges Cut

Supervisor West said that he would like to see the budget reduced to the point where the inside tax rate could be cut to 70 cents. He suggested that \$10,000 be lopped off the welfare budget and approximately \$60,000 off the unbudgeted reserve.

Replying to Mr. Gardner's request for the farm bureau that retrenchment should be made in the welfare fund as "the unemployed get too much, it shatters their morale, and you don't realize how little they want to work, preferring to remain on the dole," Mr. West yesterday declared that "not any class of taxpayers get so much benefit at the expense of the taxpayers as do the farmers."

extra charge for mileage will be made in such cases.

Mr. Echols announced last night that it was the first time he had known of Mr. Hazlehurst's plan to bid for the contract.

"I have only one comment to make," Mr. Echols said. "The man is a Judas, and now I know why he kept urging me to raise my bid."

Mr. Hazlehurst, who has been transporting students for five years and has never had one of them injured in an accident, was not present when the bids were opened. Board members expressed their belief that the fact that Mr. Hazlehurst in all probability would lose his job as manager of the local Echols' branch, might have some bearing on the selection of a firm for the job. In his bid Mr. Echols had pointed out that his buses had been under the supervision of Mr. Hazlehurst, and that they had been operated efficiently and safely for five years.

Other bids opened were from Millard Foster of Tustin, with a bid of \$3250, and from F. J. Heldbrough of Long Beach, with a bid of \$3960 per year.

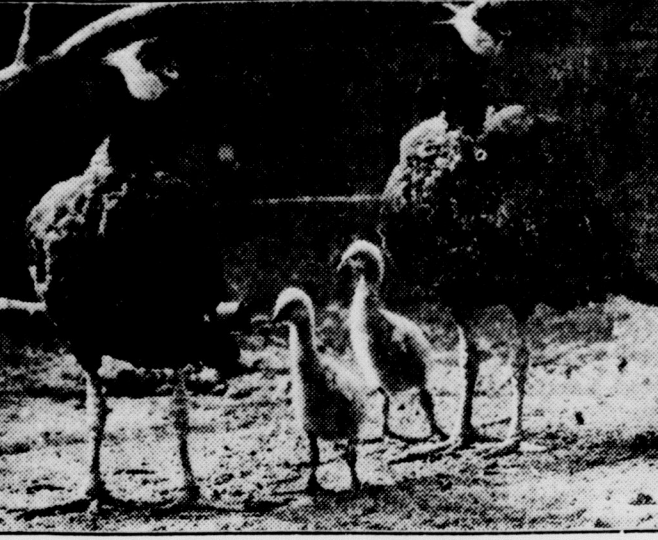

SORGHUM CANE BOASTS SUGAR

DURBAN, South Africa. (AP)—Sugar cane crossed with sorghum, newly introduced in South Africa, is yielding surprising results here. Returns from a typical field have risen from 27.73 tons to 39.83 tons per acre.

In the past, almost the entire South African output was sugarcane, other varieties having been prohibited until 1930.

But thanks to the collection of new strains from all parts of the world, including some from United States government experiment stations in Florida, Natal planters now believe that the South African production will reach 600,000 tons compared to the previous record of 391,000 tons.

NOW THEY CAN REALLY SCREAM

Mr. and Mrs. Screamer, one of the South American Crested Screamers, probably are justified in emitting strange noises. They presented the Los Angeles Zoo with a pair of chicks, believed the first of the species ever hatched in captivity. (Associated Press Photo)

MORE ABOUT ROGERS

(Continued from Page 2)

his glorious dreams of distant lands.

The people of this community, who knew him as a farm youth with a liking for mechanics, stood mute on the single business street, in which all business had ceased, as a hearse bore the body to the little Baptist church.

The farr folk stood silent as the bronze casket was carried into the church and placed in a cleared space near the door. Only summer flowers, grown by Maysville housewives decorated the church interior.

They were placed in vases on the floor and on the single row of benches around the room. The only activity was the slow, continuous procession past the bier. Many drove out to the Post home, the small cotton farm north of town which the flier left 15 years ago to realize his dreams. Mr. and Mrs. Post were sitting on the porch with relatives.

SEEK SLAYER OF BEACH WOMAN

LONG BEACH, Aug. 21. (AP)—Searching vainly for clues, police today sought a tall, well-groomed man for questioning in connection with the mystery slaying of Mrs. Gladys Glena Fair, 34-year-old naval board stenographer. She was found in her apartment on the eleventh floor of a building yesterday. Her slayer apparently fired a bullet into the back of her head as he sat at her side on the arm of an overstuffed chair. The body had been dragged from the livingroom and draped over the rim of a bathtub.

GRAZING BILL IS PASSED

WASHINGTON, Aug. 21. (AP)—Congressional action was completed today on amendments to the Taylor grazing act with house approval of the conference report already adopted by the senate. It now goes to President Roosevelt. The measure increases the limitation on public lands which may be included in grazing districts from 80,000,000 to 142,000,000 acres.

FREE LEGAL ADVICE BOOSTS MEAT SALES

BUDAPEST. (AP)—Business was terrible in Ignaz Lajos' butcher shop until he hit the idea of giving free legal advice with every string of frankfurters or pound of pork chops.

The scheme was suggested to him by the plight of a lawyer whose business was collapsing. He offered the lawyer three pounds of meat and 5 pengos (about \$1) in cash daily, if he would sit next to the cash register and counsel any of his customers who had need of advice.

Now Lajos has many new customers and his old customers, freed of legal worries, are developing bigger appetites for meat.

KELVINATOR

A NEW KELVINATOR FEATURE
"The Food File"

To many other exclusive and outstanding conveniences Kelvinator now adds . . . a new system of food filing.

There is a place for everything.

The Frost Chest for storing fish, game, and ice cubes, is a big Kelvinator feature. Then there are the fast freezing trays where ice and desserts are quickly frozen and the Super-fast Iso-Thermic tray for world's record freezing.

And now comes something new . . . three chromium fronted compartments in the lower part of the food chamber that conserve valuable refrigerator space and provide an ideal place for dairy foods, vegetables, and leftovers. Owning a Kelvinator is a decided advantage . . . now, more than ever before.

OTHERS' STORIES
READ BY GROUP AT QUILL PEN

Other people's stories were read by members of the Quill Pen club at last evening's meeting in the home of Miss Mildred Watson, 273 North Harwood, Orange.

Mrs. Emmett Elliott read a letter in verse by Miss Verna Wells, who with her mother, Mrs. Jeanette Wells, is touring the east and northeast. The letter, written from Virginia, told in jingles about the visit of the Santa Anas have been visiting.

Mrs. Frank was read a story, "Sharpened," by Mrs. J. U. Viau. Miss Lella Watson read one of her own stories, "Apple Polish." Mrs. Marah Adams read a story by her son, Neil Adams, on "Diana Does."

The hostess, assisted by her mother, Mrs. Clyde Wells, served ice cream in pastry shells, and fresh pineapple.

Others present were Mesdames J. U. Viau, Marshall Harnois, Blanche Small Brown and Annette Smith and Miss Janet Watson.

The Journal's Swap Column
The Swap Column is a gratis service found only in The Journal. It is intended solely as a convenience for exchanging articles. It is not designated as a sales medium and no dealers will be permitted to use it. No automobile or real estate swap offers will be published. Bring your swap offers to The Journal, 117 East Fifth street, or telephone 3600.

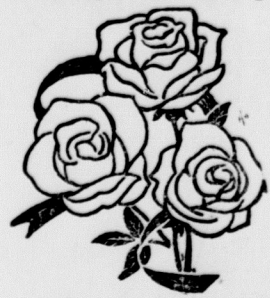

Today's swaps follow:
Phone 8716R5—Good Scotch terrier and springer spaniel dog, about 1 year old, for pair of rabbits or three or four red hens.
701 East Chestnut street, Santa Ana. Welding outfit complete with cutting torch for what have you?
902 Shelton, Phone 4512-M. Four-month-old Pekin ducks for heavy (colored) hens.

Meet Your Neighbor

The Journal's Compilation of "Orange County People You Should Know."

Name: Edward A. Barry.
Occupation: Substation clerk, Standard Oil Co. of Calif.

When and where were you born? Sept. 2, 1899, New York City, New York.

What has been the most interesting event of your life to date? My enlistment and four years' service in the U. S. Army during the World War.

What career would you recommend for a young man starting out for himself today? To specialize in any one subject.

What is your favorite department or feature in The Journal? Sports.

Your synd choice? Skinny Skirvin's "Scyclopedia." What should be the United States government's next major step? To learn distribution of its enormous supply of all commodities.

What one thing does Santa Ana need most? Some system of protection from theft of bicycles of our young boys.

How can Orange county be improved? To tell the world so others may enjoy it, of the wonderful natural resources it has: agriculture, climate, people and the romantic history of its past.

One sentence interview: I believe that the entrance of the Santa Ana Journal into Orange county's newspaper family was one of the greatest events that happened here in quite some time, and as time goes on the public will realize how fortunate they were to be able to share in its enterprise.

HARMONY BRIDGE CLUB TO PLAY CONTRACT ALSO

Contract as well as auction will attract players at the Harmony Bridge club meetings, according to decision of the group made yesterday at the home of Mrs. Joe Herschler, 1815 North Flower.

A pot-luck luncheon preceded the play of cards yesterday. Prizes in auction went to Mrs. Herschler and Mrs. Nellie Young. The contract award was presented Mrs. B. Lloyd Folger, and Miss Clarice Perrin was given the guest prize.

Mrs. H. G. Lyman and Mrs. Maude Swarhout will entertain the club at the Masonic temple at their next meeting. Membership was extended to Mrs. Clarabelle Rousseau.

Others present were Mesdames John Bruns Jr., Carlyle Dennis, H. H. Dimmitt, Elsie Edwards, Betty Gowdy, Sam Jernigan, R. A. Kloess, H. G. Lyman, C. L. Neuschwanger, Ray L. Spough, J. G. Steele, Ray Snyder, William C. McFarren, Ray Wyckoff, Jane Morse and Miss Catherine Rosseau.

\$115,000 SCHOOL BONDS OFFERED BY SUPERVISORS

Brea-Olinda Union High school and Brea Elementary school bonds, representing a total value of \$115,000, were offered for sale late yesterday by the board of supervisors when they approved resolutions calling for bids on the two bond issues. Bids will be opened September 17.

The high school bond issue, approved by the voters of the Brea-Olinda district, amounts to \$85,000. The bond issue for the elementary school district totals \$30,000.

North Sycamore street having been purchased by the board of education, the Scouts are moving their offices to the second floor of the Spurgeon building on Fourth and Sycamore streets.

D. H. Tibbals, boys' work secretary, will wind up instruction for beginning swimmers at the Santa Ana Y. M. C. A. this week.

Dan Loewen of Santa Ana, son of Mr. and Mrs. I. T. Loewen of Dalhart, Tex., plans to enlist tomorrow in the United States army service in the mechanics division at the Hawaiian Islands.

Mr. and Mrs. T. D. Knights, 428 Fruit street, went to San Diego today where they will remain for

Tonight's Band Program

The Santa Ana Municipal band will dedicate its first number tonight to the Santa Ana post of the American Legion, according to Leonard Auer, director. The march, "American Legion," will be played at the Birch park concert as an observance also of the recent Legion convention at Fresno. The program, starting at 8 o'clock, will feature O. N. Stock, trombone soloist.

The complete program follows: March, "American Legion"—Parker. (Bandson dedicated to the Santa Ana Post of the American Legion in re Fresno Convention.)

Overture, "Pique Dame"—Suppe. Waltz, "Blue Danube"—Strauss. Solo, "My Heart at Thy Sweet Voice" from "Sampson and Delilah"—Saint-Saens.

Selection of "Plantation Songs." "Echoes from the South"—arr. Klorh.

March, "Semper Fidelis"—Sousa. Selection from "The Red Mill"—Herbert.

Nocturne, "Lassus Trombone," "De Calvad Valt to Miss Trombone"—Fillmore.

Descriptive Fantasia "The Haunted House"—Colby.

Patrol, "Jungle Drums"—Ketelbey.

Closing: "I Love You, California."

EDISON PRESIDENT ENTERTAINS AT BENEFIT PARTY

Mrs. R. A. McMahon, president of Edison school Parent-Teacher association, entertained yesterday in her home on South Main street with a luncheon, first in a benefit series which members of the association executive board are to give for the association treasury.

After luncheon the guests played bridge. Prizes went to Mrs. G. N. Coons and Mrs. J. D. Watkins.

Other guests were Mesdames R. G. Carman, E. M. Waycott, H. D. McIlvain, J. Bohlander and W. M. Wells.

HIS EXCELLENCY--

The Governor of Wyoming

The favorite avocation of Gov. Leslie A. Miller, ex-United States marine, is growing rare specimens of delicate flowers. Born January 29, 1886, in Kansas, young Leslie moved with his parents to Laramie, Wyo., a few years later. After high school and business college, he worked for a few years as railroad brakeman. His first taste of politics came in 1911 when he was elected to the state legislature.

He was in the oil business when the United States entered the world war and he enlisted as a marine. After the war he was collector of internal revenue for Wyoming. In 1932 he was elected to fill the unexpired term of Gov. Frank C. Emerson, who died, and in 1934, Miller was re-elected for four years. He and Mrs. Miller, who was Margaret Morgan, of Denver, have a son, John, a student of Colorado university, and a daughter, Mrs. John Mabey, of Cheyenne.

ORANGE FOOD CO. IS RESTRAINED

The Natural Food Products company, a California corporation doing business in Orange, and its officers and directors today were permanently enjoined from doing business in California under that name. The restraining order was signed by Superior Judge H. G. Ames at the request of Natural Food Products company, a Delaware corporation. The order was stipulated to, however, by the defendant group.

In petitioning the injunction, the plaintiff organization declared it had purchased all assets and liabilities of the other corporation and would continue the business of canning fruit juices at the Orange plant.

Slight accident in 300 block on West Fourth street. Cars driven by Leon C. Shadel, Orange, and Jesse Gomez, 1903 West Fourth street, Santa Ana, collided when Shadel was stopping for a parking place. Both cars slightly damaged.

Loud radio keeping people awake in 200 block on North Broadway.

A watch valued at \$25 either lost or stolen from the Santa Fe depot yesterday. The owner is Mrs. Winnie N. Starks.

One keg of nails and 25 gallons of brown roof stain stolen yesterday from 2460 Greenleaf street.

JIM FARLEY IS COMING!

Postmaster General James A. Farley, who will attend the gala get-together of Orange county democrats at Ham Cotton's ranch in San Clemente Saturday afternoon. Mr. Farley is shown wearing a lei given him by natives on a recent visit to Honolulu.

Letter That Went On Post's Strato Hops Received Here

A letter carried by Wiley Post on four of his attempted transcontinental non-stop stratosphere flights was received today by Mrs. Elmer J. Taylor, who is in charge of the postoffice branch in the Grand Central market. The letter was received from Los Angeles.

Mrs. Taylor had sent the letter herself, and the envelope which was returned to her carried the following inscription:

"This letter carried by Wiley Post on the following attempted non-stop transcontinental stratosphere flights: February 22, landed at Murco; March 15, landed at Cleveland, O.; April 14, landed at Lafayette, Ind.; June 15, landed at Wichita, Kan."

All of the attempted transcontinental flights started from Los Angeles. The letter will be on display at the Grand Central market branch of the postoffice, it was announced.

MUSICAL FUNSTERS ON BREAKFAST CLUB PROGRAM

Musical funsters are on the program for Breakfast club members at their meeting at the Main cafeteria tomorrow morning at 7:30 o'clock.

Hunter Leach, in charge of the program, has arranged for an ensemble from Jack McCarty's Rhythm boys to play popular dance numbers. Jack Blackie will bring his saxophone, Dick Melrose a trumpet, and Jack McCarty will be at the piano.

Art Cannon, charter member pianist, also will attend the meeting. Easy "wake-up" entertainment has been planned.

SCHOOL FENCE TO COST \$983

The Pacific Fence and Construction company of Los Angeles last night successfully bid on the Julia Lathrop Junior High school fence construction project with its figure of \$983.80. The fence, which is to be of chain length, number nine wire, will have six passenger gates and one automobile gate. The unusually low bid was explained by the fact that the Los Angeles firm manufactures its own fencing, and for that reason can afford to install it for less than other companies that must buy the material.

Following are other bids received by the board: Standard Fence company, \$1050; Crown Fence Supply company, \$1141; Van Dean-Young, \$1187; Wickwire-Spencer, \$1877, and McFadden-Dale company, \$1050.

The Santa Ana firm of C. M. Trusty and sons was the successful bidder on the junior high school tennis court lighting job. The firm's bid was \$1255 for lighting the courts at both junior high schools. Other bids were offered by the McFarlane Electric company, \$1589, and Gilbert-Weston-Stearns, Inc., \$1452.64.

The board last night also approved a request from Miss Editha Biggin for a leave of absence for one semester. Miss Biggin is an instructor in the Julia Lathrop Junior High school.

TWO GROUPS WILL ACT ON FISH RESERVE AND OIL POLLUTION

COAST GROUP MEETS AT LAGUNA

Enforcement of Fishing Bill Sought; Members Hear Ted Craig

LAGUNA BEACH.—Formation of two county-wide committees, one to seek enforcement of the new reserve bill, which creates a fishing reserve on the Orange county coast and the other to co-operate with the Long Beach chamber of commerce and other organizations in controlling pollution of beaches by oil were decided upon at a meeting of the Orange County Coast association here last night.

President Dan Mulholland appointed Sam Meyer of Newport Beach and T. B. Talbert of Huntington Beach to act in selecting the fish reserve committee and K. P. Fredericks of Long Beach and Dr. C. G. Huston of Costa Mesa to act on the oil pollution matter. Announcement will be made later of personnel of the two committees, which are expected to number about 20 each, with representatives from all parts of the county, it was announced.

Reserve Bill Is Asset
The fishing reserve bill is the greatest single asset that the county coast now has, Speaker Ted Craig told members of the association. Assemblyman James Utt said that instead of asking federal aid in patrolling the coast for enforcement of the reserve, county supervisors should be asked to appropriate money for the patrol.

Speaker Craig discussed the taxation problem in the state, telling of possibility of a special session of the legislature and need of raising \$24,000,000 to carry the relief load. Regarding accusations that he is a "corporation man," the speaker said that he was never going to change his theory that, when his sons are of age, they will have a chance to go out on their own initiative and make a place for themselves without being subsidized by the government.

Discusses Pollution
Mr. Fredericks discussed pollution by oil. He said that there is a way of taking care of pollution from tankers if enough pressure is brought to bear on the Coast Guard by such groups as the Coast association. Enforcement may be possible, as present legislation is adequate, he said.

Leslie Kimmell of Laguna Beach told of the successful fight in the legislature for adoption of the fishing bill and complimented Senator N. T. Edwards, Speaker Craig and Assemblyman Utt for their stand on the matter. If it had not been for these legislators, the bill would never have been passed, he said.

Roy K. Browning lauded Speaker Craig for maintaining respect and confidence of assembly members. He spoke briefly on the water problem in the county, hinting that the county is going to receive an offer from the federal government regarding water plans within a short time.

Chamber Meeting Told
Carl Hankey of San Juan Capistrano reported for road committee. George Raymer announced a meeting of the Associated Chambers of Commerce at Huntington Beach next Thursday and of plans for entertaining visiting skippers in the International Star Boat regatta at that time.

Secretary Harry Welch told plans for the regatta at Newport Beach and for the Tournament of Lights there Saturday night. David T. Prenter of Dana Point spoke briefly on the relation of newspapers to politics.

President Mulholland invited members of the association to hold the next meeting in San Clemente. Governor Merriam, Senator Edwards, Speaker Craig and Assemblyman Utt will all probably be present at the meeting, he said.

RESIDENTS OF COLORADO VISIT AT OCEANVIEW

OCEANVIEW.—Mr. and Mrs. W. Vogel and daughter of Sterling, Colo., were guests at the Harold Schuth home on Huntington Beach boulevard, recently.

Mr. and Mrs. Byron Gale and family moved recently to Huntington Beach, where they are located at Seventeenth street and Huntington Beach boulevard.

Mr. and Mrs. Harold Schuth, Mr. and Mrs. L. R. Kimbley and Mrs. Elmer Royal were guests at the Shell Chateau program at the NBC station in Hollywood, recently.

The Rev. Joseph Thompson and family returned recently from a vacation in the northern part of the state.

PENSION CLUB HAS PART IN PROGRAM

WESTMINSTER.—Members of the Townsend club of the Westminster district furnished entertainment for the Garden Grove club at a recent meeting. The program included a solo by Mrs. Alice Bennett Threder, two numbers by a quartet composed of Mrs. W. H. Taylor, Mrs. Threder, E. E. Leith and C. C. Murdy and several readings by Mrs. Homer Hilborn.

The Garden Grove club will compliment the local club soon by furnishing the program.

AMELIA PUTNAM TESTS PLANE

Amelia Earhart Putnam, whose aviation experience is extensive, at Bolling Field, Washington, D. C., as she went for a trip in the Waterman tailless plane which is being tested by the department of commerce as a possible selection for the low price field of silver planes. (Associated Press Photo)

NEWPORT'S SWELLS BEST Surf Riders Will Compete

Brick Dust

By BRICK GAINES

City councils are funny creatures. Sometimes they smile and say "C'mon in and set." Other times they don't say so much, but do a lot of glaring.

As times goes on, I'm going to try and find 'em in their better moods and introduce 'em. Here's one now that was in a good humor last night. They're from Placentia.

Starting at the head of the table, the solemn looking gentleman is Charlie Young, mayor and building contractor. Charlie in handling construction on Placentia's new Valencia High school.

Next comes Dr. E. H. Brunmeier, famed for his years of medical work in China. Then Art Schallas, local plumber, who likes trout fishing better.

Then there is Clarence E. "Doc" Haiber, who was mayor last year. He runs drug stores and is interested in city government. Last, but by far from least, is Howard Jerome, who, in his spare time from singing at entertainments, runs a grocery store.

Scattered around with the furnishings one can also see Mrs. Nellie M. Cline, city clerk, who at present is handicapped with an injured hand, but is still a good clerk. Tom McFadden, one of Anaheim's lawyers but a Placentia resident, is always present as city attorney. George Bates, giving advice as city engineer. Gus Barnes, of deer hunting fame, present as chief of police, street superintendent and several other offices.

S. C. "Sam" Harmony, jeweler, and judge, who likes ball games better than city council meetings. They're glad to have meet you.

A hurry call has come in from Midway City. They need some good barbecues.

In case you don't know, a barbecue is a person who is capable of getting outside of tons of outdoor-cooked food.

For a small fee, anyone wishing to gain recognition in the Amalgamated Barbecue-Eaters of the Golden West can probably do a lot of good there this evening.

Four famous chefs of the district have been retained to furnish food. They are Harold Robertson, Bruce Palmer, Jack Houlihan and Al Van Steenberg.

The barbecue will be held at the Houlihan home. All the sundry are invited.

It's a benefit. They're planning to get a county library for Midway City, and funds from the benefit are to be used for benches and book shelves.

So why not shove tonight's dinner back into the refrigerator and c'mon down? It'll be worth the trip.

ORANGE FORUM HAS PARTY

ORANGE.—The Young Woman's forum held a party Monday night, first meeting at the Y. W. C. A. hall in the Franzen building, then going to Anaheim park where they ate a picnic supper. Later they attended a show in Santa Ana. The next meeting will be held on the third Monday in September. Election of officers will be held at that time.

Attending were Misses Lila Erbenraut, Mildred Watson, Muriel Anderson, Mildred Binkley, Margaret Westover, Helen Estock, Marion Garber, Katherine Frankforter, Marcella Turner, Eileen McClelland, Eleanor Herrington and Louise Deews.

Nearly 300 living species of scallops are known and are found in all seas, from high latitudes to the tropics.

STAR GROUP THRONGS SEE RESCUE

Reception Committee for Harbor Chamber Will Assist in Fete

NEWPORT BEACH.—Mark J. Johnson, president of the Newport Harbor chamber of commerce, has appointed a reception committee to assist on Wednesday evening, August 28, when the harbor chamber will be host to visiting skippers of the Star boats competing in the international regatta which starts Friday.

The event that evening will be the final celebration of the regatta, with trophies for the finals as well as for the day's racing to be awarded.

Representing Newport Beach and the chamber of commerce will be Mayor and Mrs. Herman H. Hilmer, Mr. and Mrs. Johnson, Mr. and Mrs. George Rogers, Mr. and Mrs. A. B. Roussele.

COMMITTEE IS SET AT H. B.

HUNTINGTON BEACH.—Appointment of a reception committee to welcome guests to the Associated Chambers of Commerce meeting at Huntington Beach next Tuesday evening, when skippers and crews competing at the international regatta will be at Newport Beach will be guests, was made at a special meeting here recently.

The committee will be headed by George Kellogg, president, and Mrs. Kellogg, and will include Senator N. T. Edwards, Speaker and Mrs. Ted Craig, Assemblyman and Mrs. James B. Utt, Mr. and Mrs. T. B. Talbert, Dr. and Mrs. C. G. Huston, Mr. and Mrs. George Raymer, W. H. Gallienne, Mr. and Mrs. D. E. Barry and Miss Fern Greenwald.

Postmaster General James A. Farley may be speaker at the meeting, it has been announced. Trophies won by star boat skippers during the day's racing at Newport will be presented at the meeting. Commodore George A. Corry, "daddy" of the star boat class, will represent the skippers and make the response.

The chamber group, wishing to encourage the sport, are preparing many events for the contest. All surf board riders have been asked to get in touch with officials either in person or by letter to dismiss the proposed event.

Riders from Palos Verdes are anxious to cooperate with the local group in staging the contest, it is reported.

PIONEER GROUP PLANS MEET

WESTMINSTER.—The annual reunion of the Westminster Pioneer society will be held on Admission day, Monday, Sept. 9. The pioneers will meet in the social hall of the Presbyterian church and a basket lunch will be served at noon, with the society furnishing coffee.

An informal program will follow the luncheon. Mrs. Ethel Waters Crane is president of the society. Committee chairmen for the day are Mrs. R. E. Larter, Mrs. Ella Penhall and Mrs. J. H. Walton.

Mr. and Mrs. Alonzo Hawley spent Sunday calling on friends. Mrs. Hawley is a member of the teaching staff of the Westminster school.

Mr. and Mrs. Orion Bebermeyer entertained members of the school board, Messrs. Heil, Hylton and Lawrence, at dinner Monday evening.

TEACHER FROM GARDEN GROVE ON MEXICO CITY TRIP

GARDEN GROVE.—Miss Lucille Allen planned to leave yesterday to spend the next two or three weeks in Mexico City and adjoining territory. Miss Allen is a member of the Lincoln school faculty.

Mrs. Nellie Miller and her daughters, Miss Catherine and Mrs. Ethel Evans, have returned from a trip in which they visited in 36 states and Canada.

Mr. and Mrs. J. A. Knapp and daughter, Dorothy, returned Sunday from an eight-day business and pleasure trip to the northern part of the state, and Reno, Nev. Stops were made at Yosemite, Mono lake, Lake Tahoe and in cities of the bay district.

Mr. and Mrs. Harvey Emley joined a group of 80 friends and former students of the La Verne college at San Dimas park recently who gathered to honor Dr. Claude Arnett, former professor of education and athletic coach at the college who with his wife and son, Claude Jr., are vacationing in California. Dr. Arnett is now with the Kansas State university and most of the group gathering at the park were his students about 10 years ago.

TOURIST CROP IS INCREASING

LOS ANGELES, Aug. 21. (AP)—The All-Year club reported today that the tourist crop continues to grow. Out-of-state tourist traffic entering Southern California last month was 43.3 per cent greater than the corresponding month last year. Since January, 458,945 out-of-state motor tourists arrived in California, 31.5 per cent greater than the first seven months of last year.

Boat's Distress Signal Draws Crowd; Pilot Loses Direction

LAGUNA BEACH.—Throngs raced to the scene of what purported to be a thrilling rescue at Aliso beach last night. A trim white sail boat had set off a distress signal, and the fire siren brought the rescue squad, followed by crowds of thrill-seekers. Spotlights from the shore picked out the little craft, riding the swells some 200 yards out. A lone flashlight flickered from aboard. Rumors ran through the crowd that the boat was slowly drifting toward the rocks.

Then someone passed the word along that it was all a false alarm, that the boat was merely anchored for the night, and the crowd dispersed. Later, however, a U. S. Coast guard cutter, arrived on the scene, made a rope fast to the little sail boat, and sped away with it in tow. A young man whose name could not be learned had sailed from Newport to Catalina, but on the return voyage lost his way in the darkness and hove to at Aliso beach. There he set off a distress signal, and the coast guard boat was summoned. The boat was towed safely to its mooring in Newport harbor.

ORANGE GIRLS GIVE PLAYS

ORANGE.—Mrs. Clarence Alden, director of the drama classes at the Intermediate school this summer, has announced a program to be given by the classes Thursday evening at 7:30 o'clock in the auditorium of the Intermediate school. Girls composing the classes will present two one-act plays, for which they have made costumes and scenery. Special music will be given by the Harper students during intermissions.

"Just Before the Dawn" is the first play, with Rosemary Hart, Ruth Compton, Leona Meyers, Katherine Welch, Charlotte Doncaster and Martha Hunziker taking part.

The second play is "The Fatal Pill" and will be given by Virginia Claypool, Martha Hunziker, Marilyn Wagner and Betty Bickford. The public is invited to attend the entertainment.

Miss Myrtle Schaefer, deputy city clerk, is on vacation this week, her place being taken by Miss Mildred Schmetgen. Next week City Clerk T. H. Elijah will take his vacation, with Miss Schmetgen staying in the office until his return.

PUBLISHERS TO MEET AT H. B.

HUNTINGTON BEACH.—Members of the Orange County Weekly Publishers' association and their wives and city councilmen and their wives will be guests of the Huntington Beach Chamber of Commerce at a 6:30 o'clock dinner-dance here August 26. Members of the American Legion Auxiliary will serve dinner in Memorial hall.

Miss Jeanne Baldwin, voice student of Miss Alice Gentle in New York City during the past year, will sing, accompanied by Mrs. Carlton Conrad. Randall Stone, concert pianist, will play during the program.

The dinner will be preceded by swimming in the plunge and ocean.

NO BERRIES OR CLAMS FOR THEM

Too weak and famished, after a diet of a few berries and clams, to eat much food after a week's back-to-nature venture in the Olympic peninsula wilderness of western Washington, these two Tacoma "Pied Pipers" did more than justice to a square meal after 10 hours' sleep at an Old Orchard Beach resort. Lower, the boys, footsore, scratched, mosquito bitten and hungry, as they looked when they gave up their exploit. The youths are Tom Vitos and Graham Ring. (Associated Press Photos)

PIED PIPER TO VISIT! Kiddies To Parade At H. B.

Special Trains For Newport Lights Regatta

NEWPORT BEACH.—Special trains will be run over the Pacific Electric for benefit of those wishing to attend the annual Tournament of Lights at Newport Harbor Saturday evening, it was announced here today.

Many attending the parade, which is expected to draw more than 100,000 attendance, are expected to use this means of transportation, according to Harry Welch, chamber of commerce secretary, in order to avoid possible traffic jams.

One special will leave Balboa at 10:15 p. m. for the homebound trip, with the second leaving at 11:35 p. m. Special buses will also care for part of the crowd, it was reported.

SCHOOL REPAIR IS ORDERED

PLACENTIA.—Removal of the roof from the Bradford street school in order to lighten load on the building was ordered by the board of education at a meeting here Monday night. The structure is one which has been pronounced unsafe in the district. A bond election for replacing damaged buildings will be held Sept. 2.

Miss Marie Cline, teacher in the elementary district, resigned at last night's meeting to accept a position in Santa Monica schools. The board elected Miss Hope Thorlindson, a graduate of La Verne college, as elementary instructor. One more position remains to be filled on the staff, Superintendent A. P. Patten said today.

Mr. Patten also pointed out that all students wishing to attend Fullerton Union High school the coming year must register for transportation at Valencia High school before such arrangements may be made. Registration for students at Valencia will open the first week in September, he said.

Mr. Patten also pointed out that all students wishing to attend Fullerton Union High school the coming year must register for transportation at Valencia High school before such arrangements may be made. Registration for students at Valencia will open the first week in September, he said.

LOS ANGELES RESIDENTS VISIT IN MIDWAY CITY

MIDWAY CITY.—Mr. and Mrs. George Launders and Mr. and Mrs. Guy Launders of Los Angeles were guests of their sister, Mrs. W. A. Robertson, on Monday.

Mr. and Mrs. Harry Hall and Betty and Donald Hall are spending several days of their vacation in San Diego.

John and Dean Pryor, who have been spending the summer months with their parents, Mr. and Mrs. J. H. Pryor, left Sunday to take up their work in the university at Davis.

H. B. YOUTHS LEAVE FOR SCHOOL

HUNTINGTON BEACH.—The three Farquhar brothers, George, Jim and Bill, sons of Jim Farquhar, editor and publisher of the Huntington Beach News, left yesterday to attend the University of California at Berkeley for the coming term.

GUILD MEETS AT GARDEN GROVE

GARDEN GROVE.—Messdames Robert Smith, Percy Prior and Wesley Lamb were hostesses for the supper meeting of the Garden Grove Guild of the First Methodist church, recently. During the supper hour Mrs. Emmett Smith, on behalf of members, presented Mrs. Conrad Schreff a gift in appreciation of her work as president for the past year.

The program, in charge of Mrs. A. L. Schneider and Mrs. Ralph Chaffee, opened with devotions by Mrs. Howard Moore. Several readings were given by Miss Jacqueline Todd and Mrs. Chaffee read a story on Korea.

Mrs. Allen Goddard, president, conducted the business meeting. Guests at the meeting were Mrs. T. V. Todd and daughter, Jacqueline. Members attending were Messdames Grover Ralston, Wayne Reafsnider, Howard Moore, J. C. Kraushaar, Ray Reafsnider, Ralph Chaffee, C. Schreff, M. R. Sprinkle, Elmer Hall, A. L. Schneider, E. Smith, Harvey Emley, A. Goddard, Misses Madeline Conover, Velda Barnes, Mabel Head and the hostesses.

Members of the Foursquare Gospel church of Garden Grove who have returned from a several days camping trip to Lake Arrowhead are the Rev. and Mrs. B. L. Howse and family, Mr. and Mrs. David Stark and family, Mr. and Mrs. Harold Smith, Mr. and Mrs. Roy Jenkins and family, Mrs. Pearl Handy, Mrs. D. W. Weaver, daughter, Mildred, and son, Carl, Mrs. Grace Neff and daughter, Newell Beatty, Albert Farrington, Richard Webster, Laura and Alice Drake, Ethel Williamson, Gladys Brownmiller, Verna Kunkel, Esther Coates and Viola Sowers.

Little potatoes that seem almost useless can be used. Wash them thoroughly, boil with the skins on and put through the ricer. The potatoes will emerge fluffy and fine while the skins obligingly stay behind.

REBEKAH LODGE HAS MEETING

ORANGE.—Monday night was visitor's night at Ruby Rebekah lodge, and those belonging to other lodges who regularly attend here were hostesses. Mrs. Ida Campbell was program chairman, introducing Mrs. Edith Knesal who gave short word sketches of various members. A group composed of Mrs. Nora Edwards, Mrs. Clara Allen, Miss Margaret Ragdale, Mrs. Claudia Windolph, Mrs. Helen Archibald and Mrs. Star Batchelor gave several short skits and songs. Mrs. Dolores Goodwin was chairman of the refreshment committee.

H. B. PENSION CLUB SLATES TALK

HUNTINGTON BEACH.—Fred Volmmer of Santa Ana will be guest speaker at a meeting of the Huntington Beach Pension club in the city auditorium tomorrow evening. A prize will be given to the club having the largest membership attending.

The club will hold an ice cream, cake, and pie social in conjunction with the meeting.

POSTOFFICE PLANS ARE RUSHED

To Install New Equipment At Orange; Opening Set for Sunday

ORANGE.—Plans are being rushed to move the Orange post-office into the new building on Saturday, providing some of the equipment arrives by that time. Some has already been installed, including a safe, some office furniture and the mail boxes. New boxes are locked with keys instead of combination locks as were the old ones. Equipment in the old building is the property of the owners of the building, it was announced by Mrs. Vera Wetlin, acting postmistress.

The old building belongs to the McDowell Valerious corporation, but the government will own all furnishings and equipment of the new building, she said. An inspection room upstairs will furnish a lookout, so that an inspector can watch every room in the building through small slits, without being observed. The purpose is to check up on suspicious characters in the building.

Five former postmasters of Orange will be present at the dedication to be held Sunday afternoon, August 25. They are W. O. Hart, Leilah M. Fernald, Nellie B. Towne of Los Angeles, N. T. Edwards and Fred M. Robinson of Santa Ana. Mrs. Towne is handicapped due to age and blindness, but hopes to be present. The various committees have the program completed and a large attendance is anticipated.

B. Y. P. U. FORMED AT GARDEN GROVE

GARDEN GROVE.—Organization of a high school unit of the Baptist Young People's Union was effected recently when high school classes of the Baptist Sunday school and their teachers, Mrs. C. C. Violet and J. G. Allen, met at the latter's home on North Euclid avenue.

Officers selected for the new organization are: president, Carl Lehnhardt; vice president, Fontella Hudson; secretary, Leslie Christensen; treasurer, Richard Littlejohn; song leader, Ila Rae Lewis; pianist, Ruth Lehnhardt; ushers, Esther Lehnhardt, Marie Payne, Ben Allen and Donald Christensen.

Others present were Ferne Coates, Barnes Hunt, Bobbie Miller and Joe Allen.

Vene Barnes and sister, Miss Velda Barnes, have purchased the house and five-acre tract at the southeast corner of Stanford and Brookhurst roads from the Dickey estate.

Mr. and Mrs. P. D. Brady and daughters returned Monday evening from a several days visit at the San Diego fair.

Mrs. C. A. Westgate, Misses Lova Holt, Velda Barnes and her son, with Mrs. P. Lehar spent a day at the Santa Barbara fiesta last week.

Leroy and Archie Allen took the Misses Myra Lake and Betty Lehnhardt, Walter Clark, Roy Kobayashi, Earl Henry and Carl Lehnhardt to Idyllwild recently where they will remain for two weeks attending the B. Y. P. U. camp.

KANSAS VISITORS ARE GUESTS AT WESTMINSTER

WESTMINSTER.—Recent guests at the home of Mr. and Mrs. Orion Bebermeyer included Mr. and Mrs. J. E. Regier and family of Buhler, Kan., who were returning to their home after visiting the exposition at San Diego and M. S. Harder of Buhler, who has been a summer student at U. S. C. Miss Rebekah Bebermeyer, who has been spending the summer with her brother, will leave soon for her home in Abilene.

R. E. Larter, R. F. Hazard, Kenneth and Ted Hazard, Bud Day and Dr. R. I. Johnson who left for a hunting trip last Thursday, returned on Monday evening displaying five deer as the result of their trip.

REBEKAH LODGE HAS MEETING

ORANGE.—Monday night was visitor's night at Ruby Rebekah lodge, and those belonging to other lodges who regularly attend here were hostesses. Mrs. Ida Campbell was program chairman, introducing Mrs. Edith Knesal who gave short word sketches of various members. A group composed of Mrs. Nora Edwards, Mrs. Clara Allen, Miss Margaret Ragdale, Mrs. Claudia Windolph, Mrs. Helen Archibald and Mrs. Star Batchelor gave several short skits and songs. Mrs. Dolores Goodwin was chairman of the refreshment committee.

H. B. PENSION CLUB SLATES TALK

HUNTINGTON BEACH.—Fred Volmmer of Santa Ana will be guest speaker at a meeting of the Huntington Beach Pension club in the city auditorium tomorrow evening. A prize will be given to the club having the largest membership attending.

The club will hold an ice cream, cake, and pie social in conjunction with the meeting.

Household Arts

PATTERN 5421

You'll chuckle every time you glimpse your towel rack hung with these amusing towels. The droll Chinaman puts so much vim and vigor into his kitchen chores, that it's bound to be catching, as he illustrates with fantastic gestures just what each towel is for. Embroider the pictures in colored cottons, in outline stitch, which, of course, goes very quickly. Do the lettering in outline or satin stitch or you like. Wouldn't one or all seven towels be nice for a shower gift, or to donate to a bazaar? Perhaps, though, you'll find it hard to part with them!

In pattern 5421 you will find a transfer pattern of seven motifs averaging 5 1/2 x 7 inches, material requirements; illustrations of all stitches needed; color suggestions.

To obtain this pattern send 10 cents in stamps or coin (coin preferred) to Santa Ana Journal Household Arts Department, 117 East Fifth street, Santa Ana, Calif.

City's Tank Stars Vie for Honors at High School Carnival Tonight

Column Left!

By FRANK ROGERS

"Bull lost his head," says Promoter Sam Sampson. "So did Lutz," said Little Wolf.

"Sure I did," says Lutz.

"What if I did?" says Bull.

And before a four-way tangle can result from this rather pointed conversation Promoter Sam Sampson shows how quick he is on the draw, scoops up contracts and pens and before you could say Connecticut offered the lads a rematch.

This time it will be a "finish" battle—no time limit. If they take it.

Both Sampson and the fans are sorry Bull got angry and disqualified Lutz for a little thing like tossing Little (Ben Tenorio) Wolf out of the ring Monday night and then beating him mercilessly each time he tried to re-enter.

Of course, maybe Lutz shouldn't have popped the referee a couple of times.

"Nutz," sez Lutz. "I'm through. First I lick Lopez here and still lose. Then I beat up Little Wolf and get disqualified. No more wrestling here for me."

With that he leaves. And he probably won't be back until time to sign up to fight Wolf here again.

HERE'S REAL OLD TIME BALL STORY

Harry T. Stoney, veteran state inspector for wrestling matches in this area, dusted off some ancient history the other night between bouts and told us this:

He is one of the original organizers of the gigantic National Association of Baseball Players. He still keeps up his membership and his card is No. 17.

Through or four others in Los Angeles about 1909 he formed the group and today every player who signs a contract with a professional ball team becomes a member of and pays dues to this association.

WHAT'S THIS? CAN IT BE THE HEAT?

We wouldn't have done it if we could have thought of another way, but this method of telling our outlook on the forthcoming Star-Oiler has been haunting us for a week.

ODE TO NIGHT BALL

The outlook isn't brilliant for the S. A. team they say.

For the Oilers have Joe Rodgers, and Louie Neva's going to play.

When the locals lost and lost and ruined all their fame

A sickly silence fell upon

The patrons of the game.

Things look dark and gloomy

Boys, that no one will deny.

But then we hear that old Tom Denney's

Been working on the sly.

Larrupin' Louie Neva's been

Cooling off a bit.

And now and then some

Bozo gets a hit!

And Jimmy Coates still throws

That ball with sizzling speed;

He may, in fact, do all the

Work that Santa Ana needs.

Al Rebohn's joined the lineup.

And Urbine's in at first.

And they'll be plenty useful

If things go bad—then worse!

Conrad's patched and mended

And Koral's looking good.

And Preble's making better

Use of his big stick of wood!

Doc Smith is back in form again

And straining at the bit again

To go out and lick the Oilers

And end it mighty quick.

Denney's found the gearshift

And how to move to high.

And thinks he'll be on top again

Ere the season passes by.

So it seems the fog is lifting

And the Stars are bright once more.

And while things aren't too dark

and dim

Gosh! If we could guess the

score!

(Apologies, of course, to the

historic Case, the bat, Author

Ernest Thayer and the intotyper.)

Feminine Softball

Teams Contest

At Bowl Tonight

Two championship teams

comprised entirely of feminine players

will stage an exhibition softball

game in the Municipal bowl at 8

o'clock tonight and tomorrow

under the auspices of the Santa Ana

League post No. 18.

The Fremont-Colton All-Stars,

champions of the Citrus Belt

league, and the Sergeants, an

other inland collection, will battle

under regulation nightball rules

with one exception—they will employ

overhand pitching.

Kenneth Miller, Elks, Santa

Ana's representatives in the Ex-

aminer softball tournament next

month, will play an all-star City

league team picked by Lester

Slaback in a preliminary to to-

morrow night's clash between the

girls.

YOUNG NINES VIE

STOCKTON, Cal., Aug. 21. (P)—Teams of young baseball players from Denver, Tulsa, Okla., Chicago, and Sacramento, compete in semi-final games here today for the American Legion junior championship for the western half of the United States.

Denver, which defeated St. Paul 8-7 in a wild finish of a see-saw contest yesterday, goes against the strong Tulsa team. The winning teams will meet in the final game tomorrow.

ADMIRAL SQUAD EXTENDS STARS, 10-6

PLUNGE MEET LURES BEST SWIMMERS

Party Open to Public; Events Start at 7:30; Entries Given

Swimming enthusiasts of Santa Ana will be treated to a city-wide water carnival under the auspices of Director Charles Weber and the Santa Ana Playgrounds in Andrews gymnasium plunge on the Santa Ana High school campus at 7 o'clock tonight.

The city's first annual aquatic meet will consist of swimming and diving competition for boys and girls of all ages, with stunt and comedy races as added attractions.

Public Is Invited

Norman Paul, U. S. C. track star, and Miss Elizabeth Down, both former Santa Ana students, will supervise the big plunge party. The public is cordially invited.

Mac Beall, Saint swimmer who is training for the Olympic games, try-outs next year, and Harry Clark, ex-captain of Santa Ana Junior college's swimming team, are among the diving stars entered. Others are Larry Wicks, Frank Baldwin, "Spud" Warrecker, Ray Merced, Vin Mitchell and Norman Paul.

Perhaps the most outstanding swimmer will be Dave Beall, brother of Mac. His keenest competition is expected from Carlyle Gilmore, former Louisiana boy who has won several trophies in southern waters.

Other Entrants Given

Other entrants are Benton L. Hodney, F. Baldwin, Cliff Palmer, Ray Mercado, Miles Sharon, Fred McQueen, Vincent Mitchell, Bob DeLoe, Bob Lewis, Ronald DeLoe, Jim Bayless, Robert Dunn, Wilton Valentine, Jim Carrillo, Don Yoder, Max Dial, Eugene Griggs, Don Wilderman, George Logan, Mickey Snee, Bob Isenor, Bruce Mathews and Neilson.

Among the girls participating are Jean Russell, Bevel Haven, Jean Turner, Roberta Wisdom, Maurine Waters, Lucille Griggs, Ella Hald and Jewel MacIntire. Prizes will be awarded the boy and girl earning the most first, second and third-place points in the following events:

Awards Presented

Loving cups will be awarded the boy and girl earning the most first, second and third-place points in the following events:

Stunt race (open)—tub, seahorse, balloon and other toys.

Diving (open to boys and girls 12 or under)—low board, three dives, one optional.

Diving (open to boys between 12 and 14)—low board, three dives, one optional.

Diving (open to girls between 12 and 14)—low board, three dives, one optional.

Fancy diving (open to boys over 15)—high board, five dives, one optional.

Dive for distance—open to boys and girls of all ages.

One for girls over 14 and one for boys over 14; free style, 25 yards, race for boys under 14 and for girls under 14; free style, 50 yards, race for boys over 14 and race for girls over 14; free style, 100 yards, open to boys and girls of all ages.

SEALERS BEAT

SEALS 2-1

By the Associated Press

The Sacramento Senators may be just a jump from the Pacific Coast league cellar, but they are high-powered dynamite to the San Francisco Seals.

The Senators, who seem to acquire a notion to start winning games whenever the Seals come over to play, did it again yesterday to topple the San Francisco club from its precarious perch at the head of the standings.

Behind the effective hurling of Tom Flynn, the Senators bunched three hits in the sixth for the pair of runs which beat the Seals 2-1. Flynn held the opposition to six scattered bingles.

The San Francisco Missions, meanwhile, were stepping into the lead with a convincing 9 to 2 victory over the third place Portland Ducs.

The Missions clinched their win with three runs in each of the last two innings.

The Los Angeles Angels and the Seattle Indians both accounted for victories to maintain their fourth place tie.

Six runs bunched in the seventh and eighth innings pulled the Angels from behind to a 9-4 victory over Oakland, while the Indians went on a batting spree behind the crafty offerings of Archie Campbell to beat Hollywood 9 to 1.

Girl Skipper From France May Miss Star Boat Races After Journey to Newport

Skipper who have trekked to Newport Harbor from many corners of the world for the Star Class International championships today awaited a ruling on whether the pilot who made the longest jaunt will be permitted to enter the classic.

She is Miss Mary E. Fahnstock, who shipped her Don Quixote Star boat to Newport via the Star Line, after a long journey from Villefranche, Sur Mer, France. She is the only woman skipper entered.

With her brother, Gibson Fahnstock, who is her crew, she has received the endorsement of the Villefranche fleet but has not yet had the official sanction of the International Star Class Yacht Racing association, sponsors of the classic.

The five-day event, in which Newport's "Hook" Beardslee will defend his world's championship won last year at San Francisco, starts Friday afternoon. Officials have set a tentative starting line off the Balboa pier. Starts will be made about 1:30.

Lured by the "world's series" of yachting, sportsmen from all over the globe have been attracted to Newport to watch the classic and

for the annual meeting of the S. C. Y. R. A. First session of the gathering will be held tomorrow evening at 7:30 o'clock in the Balboa Yacht club.

Here are the official entries to date, together with their boat numbers and the fleets they represent:

INVASION

Western Long Island Sound—Ace (302), Adrien Iselin III and E. V. Willis.

Lake Maracaibo, Venezuela—Baby Star (203), C. M. Crebs and C. F. Lawrie.

Eastern Shore, Md.—Star Dust (279), W. Mason Sheen, C. Lowndes Johnson, Morris and J. A. Vega (742).

Basin Harris Jr., R. L. Harris.

Central Long Island Sound—Andiamo III (360), John T. Armes, J. M. Aberly.

Lake Oswego, N. Y.—Pathfinder (107), W. T. Sampson-Smith, Frank Robinson.

Sheridan Yacht Club, Chicago—Gemin II (110), S. C. Pirie, I. M. Pirie.

PACIFIC COAST

Long Beach—Zoa (539), Arthur Macerate, William Macerate.

Santa Barbara—Phar Lap (768), Dr. Neils Martin, Mrs. N. Martin.

Seattle—Cene (943), Charles Ross.

San Francisco Bay—Three Star Too (948), Glenn Waterhouse, Woodbridge Metcalfe.

Santa Monica Bay—Procyon II (1150), Dr. J. M. Kolisch, Stewart Turnbull.

Newport Harbor—By-C (1052), H. L. Beardslee, Myron Lehman.

INDIANS SHOW NEW LIFE

Tribe Does Better For Steve

By ANDY CLARKE

Associated Press Sports Writer

The Cleveland Indians are playing a better brand of baseball since Steve O'Neill, their former coach, took over the managerial lines.

Prior to Steve's ascension, their win percentage was less than .500, but since then they have been galloping along at a .667 clip, winning 12 games, losing six and tying one. They have won six of their last seven.

They are about a half game behind the Chicago White Sox and the Boston Red Sox, which are in a virtual tie for third place.

The Indians capitalized on two fumbles and a wild throw in the opening stanza to defeat the Washington Senators, 4-2, yesterday.

Hank Greenberg

The Yankees made up in a

measure for indignities they have suffered at the hands of Schoolboy Rowe by belting the big fellow off the mound in the third inning to defeat the Detroit Tigers, 6-5. The Tigers now lead the Yanks by six games.

Ben Chapman got a homer for the Yanks in a first-inning rally, and Hank Greenberg got his 32nd of the season off Johnny Allen as the Tigers counted four times in the sixth.

The Giants were forced to go 10 innings to gain a 6-5 verdict over the Cincinnati Reds. They went into the eighth with the score 4-1, and then Parmelee blew up for the fourth straight game in which he has started as two runs went across the plate.

Al Smith followed Parmelee to the clubhouse when he gave up the tying run, and Euel Moore was called to duty. Hubbel fired the game when Moore walked two in the ninth.

The Cardinals beat the Boston Braves, 6-5, as Joe Medwick and Jack Rothrock each hit a homer with a man on base.

NO OIL FOR THE JOINTS?

Lions Golf Tournery Slated!

With prizes ranging from a very appropriate box of aspirin to an incongruous bird bath (what, no linen?), a Lions club golf tournament will lure out practically every member of the service club tomorrow afternoon at the Santa Ana Country club.

At the last counting 32 entrants had been rounded up to take off in flights of four, each with a part of the series collection of prizes. The inducements are: picture frame, golf knickknacks, sweat-ers, andirons, golf balls, hose, gingerale, lemon juice, some dry cleaning, bird bath, Gilmore oil, aspirin, \$5 money order, coin pads and pictures—the winner it is presumed.

Entrants, at the last one counting, were Carson Smith, Carlyle Dennis, Gilmore Ward, Ralph Raitt, Frank Harwood, Lyle Anderson, V. B. Anderson, Rolla Haynes, J. Jerome Kink Garden, Ben Manker, Joe Peterson, Tom Wilson, Bill Fernandez, Captain Hillyard, Wilbur Shook, Don Dearth, Ernie Layton, Cue Manker, K. E. Morrison, Ray Hoiles, Ira Kroe, E. W. Harrison, Paul Wallace, Ernie Winkler, G. C. Griffin, Kenzie Coulson, Frank Sawyer, Ernie Gould, Bruce Monroe, Ernie Guest and Bill Smith.

Donors of the prizes are: Ernie Gould, Lester Carden, Carl Stein, Don Dearth, Bob Hockaday, V. B. Anderson, Ben Manker, Cue Manker, Tom Wilson, George Wells, Dick Lee, Bruce Monroe, C. W. Harrison, Dale Deckert, and Dixon Tubbs.

OMAHA AT SANTA ANITA

LOS ANGELES, Aug. 21. (P)—Carleton Burke, chairman of California's horse racing board, was enroute east today, bent on bringing back a promise that Omaha, Kentucky derby winner, would compete in the Santa Anita handicapped February.

R. SCHWARM IS BATTLING CHAMPION

B.P.O.E. Second-Base Man Leads Titular Series for Further Honors

Further proving his right to the battling championship of the Santa Ana City league, Second Baseman Bob Schwarm of the Elks, completed a splendid average of .667 during the five-game championship softball series which his teammates won from the 20-30's.

Schwarm hit an even .500 during the regular season while establishing himself as the eighth team loop's most consistent batter. He connected safely 16 times in 24 trips during the series.

Howard McIlvain and Larry Mitchell of the 20-30's were the next best hitters with fine percentages of .400 and .400, respectively.

Averages for the series as compiled by The Journal, follow:

Player	AB	R	H	Pct.
Schwarm, Elks	24	6	16	.667
McIlvain, 20-30	22	2	9	.409
Mitchell, 20-30	20	2	8	.400
Stirling, Elks	21	5	8	.381
Garlock, Elks	22	5	8	.364
Stafford, Elks	20	2	7	.350
Bell, Elks	19	5	6	.316
Hanson, Elks	16	3	5	.313
Walker, 20-30	20	6	6	.300
Levens, Elks	23	5	6	.261
Corneille, 20-30	20	2	5	.250
Jefferson, 20-30	12	3	3	.250
Miller, Elks	12	0	1	.083
J. Scott, 20-30	19	3	1	.158
D. Scott, 20-30	12	3	1	.083
Bowen, Elks	17	2	2	.118
Burns, 20-30	1	0	0	.000
Kneip, Elks	1	0	0	.000
Patmore, 20-30	12	1	0	.000
Lindley, Elks	12	0	0	.000

SPORTS BUDGET IS APPROVED

Approval of a \$3,991 budget for Santa Ana High school athletics for the coming year, as presented by Principal Lynn H. Crawford, was made by the board of education last night.

Total receipts from sports for the 1934-35 term were estimated at \$1,060, with an estimated deficit of \$2,931, as compared with last year's sum of \$2,059.

The only remedy for cutting this deficit would be to arrange night games at the Municipal bowl, it was suggested. This move long has failed to receive the support of the board because of the long distance between

Coast Preparatory league schools, thereby making night trips dangerous.

Boys' sports will cost \$3,742, and girls' sports \$65, according to the budget. A sum of \$184 has been set for general student body expenditures and debating.

Items listed in the budget follow: Football, \$2,638; track, \$359; baseball, \$280; basketball, \$320; swimming, \$60; and tennis, \$75. Hire of football officials will cost \$261. Miscellaneous expenses, including transportation, meals, equipment, doctor bills, advertising and laundry will require \$263.

ORDER HALTS PADLOCKING OF WELL

Seventh Firm Tapping Tideland Pool at H. B. Sues State

In a court order signed late yesterday by Presiding Judge James L. Allen in the superior court, in the Windsor Oil company, operators of a well tapping the state-owned tideland oil pool at Huntington Beach, was granted a temporary restraining order enjoining the state from fixing production quotas for the well, padlocking it, trespassing or posting guards on company property. The order was granted pending a hearing as to whether that and six other temporary restraining orders shall be made permanent.

The action started yesterday was the seventh such action started by independent operators under royalty contracts with the state following the padlocking last month of more than 20 wells producing from the tideland pool. As in the other petitions for permanent injunctions, yesterday's action names as defendants Carl B. Sturzenacker, chief of the state division of lands; Arlin E. Stockburger, state director of finance, and Arthur H. Alexander, petroleum production inspector.

According to the petition for a restraining order, the well operated by the Windsor company was producing prior to March 1, 1934, when all operators of "whipstock" or slant-drilled wells tapping the tideland pool signed contracts with the state under which production for a 20-year period was permitted on a basis of one-fifth royalty to be paid to the state. The Windsor petition charges that the state contract did not stipulate state control of production.

The oil company alleges that it has a contract for sale of the oil produced from the well that will be voided if production is curbed. It also charges that the well will be damaged.

The well, according to the complaint, has an actual production possibility of 620 barrels of crude oil daily. On July 15, last, the state, through Mr. Sturzenacker, fixed the potential production at 616 barrels and the allowable at 215 barrels. On August 1, the potential was dropped to 610 barrels with an allowable production of 175 barrels daily.

TO DEDICATE HUGE DAM ON SEPT. 26

LAS VEGAS, Nev., Aug. 21 (P)—The Las Vegas chamber of commerce has received a telegram from Congressman J. G. Scruggs saying that Boulder dam will be dedicated Sept. 26 when President Roosevelt, accompanied by Secretary of the Interior Ickes, arrives here.

The road across the top of the dam was expected to be opened to travel from Arizona on that date.

FIND DYNAMITE INVOKING PACT AT ROGERS' NOT PLANNED

SANTA MONICA, Calif., Aug. 21 (P)—Sufficient dynamite to "blow up the bay" was discovered on property belonging to the Will Rogers estate in Santa Monica canyon by a group of small boys, Captain R. G. Harris, army air representative at the Douglas aircraft works here, reported to police.

Detectives immediately launched an investigation. They said they believed the cache of explosives may have been stolen from road construction gangs working on the Roosevelt highway. The conjecture also was expressed that the dynamite may have been stolen from the noted humorist's ranch, where Rogers had conducted a good deal of road building at his own expense.

Six-Toed Kitty Looms As Louis Of Cat Kingdom

CHICAGO, Aug. 21 (P)—Police Lieut. Alex Jensen, who trains kittens to box as a hobby, today said he had found a new "brown bomber" of the feline squared circle—a six-toed whirlwind.

Two champions of his fighting stable, Anthony and Cleopatra, fled from the attack of the new feline "Joe Louis," which he said "bursts bag after bag with right and left hay-makers."

He explained that he trains his cats with suspended paper bags filled with air.

OPERATION OF PENSION IS DESCRIBED

(Continued from Page 1)

as directory, we would have the peculiar situation of different minimum amounts of aid being awarded to those who have income from other sources and those who are without income. Thus a person with an income of \$5 per month might only be awarded the sum of \$15 a month from the state and county, while the person with no income might be awarded the sum of \$35 per month as aid. We cannot believe that it was the intention of the legislature to so discriminate between the two classes of applicants.

"In determining the amount of aid to which an applicant is entitled, the presumption should be in favor of the maximum amount where applicant is not receiving board or lodging nor income from other sources.

"The allowance made to applicants with income should be determined by estimating the budget with due regard to the conditions existing in each case, but income and aid may not be less than \$20 nor more than \$35 per month. The allowance made to such applicants should not be determined by merely subtracting the amount of applicant's income from the maximum of \$35, without due regard to such conditions.

In Case of Two
"If each of an aged couple is eligible for aid but without income, the fact that each of the parties is receiving aid would be one of the conditions existing which should be taken into consideration in determining the amount of aid to each.

"On and after Sept. 15, 1935, the provisions of the act, as amended, apply and the grants of aid under the present act should be reviewed and adjusted in accordance with the amendments."

Property Limits
Webb explained Section 4 of the act which has to do with the amount of property, real and personal, an applicant may own.

"Aid under this act shall not be granted or paid to any person whose real and personal property, or if married, the assessed value of whose real property, or if married, the assessed value of the combined real property of the husband and wife, at the time such person makes application for aid exceeds \$3000, nor shall such aid be granted or paid to any person, the value of whose personal property exceeds \$500.

"Aid granted to any person under the provisions of this act shall constitute a debt of such person, to the amount of such aid. Recovery may be had upon such debt out of any property of the recipient not exempt from execution.

"In any case in which aid shall be granted to any person owning real property, the board of supervisors may cause a notice of such aid, giving the name of such person, to be recorded in the office of the county recorder and from the time of such recording such notice shall have the force, effect and priority of a lien of a judgment against said person, an abstract of which has been recorded, for the amount of aid theretofore or thereafter granted to such person. Such lien shall be deemed security for reimbursement to the state and county of the amount of aid paid to such person and in the

FIND PETRIFIED WHALE
LOMPOC, Aug. 21 (P)—Discovery of the petrified remains of a prehistoric whale in the mountainside several miles from the ocean was reported by excavators of the celite plant here. Many specimens of petrified bivalves, fish and sea plants have been found previously in the excavations, but this is the first mammal.

THE LAMB'S REST

By Mary Graham Bonner
"The sun makes me feel quite tired," said Sweet Face, the lamb. "It will be wonderful when the grass grows in my meadow."

"Are you tired, Sweet Face?" asked Honey Bear.
"A little," bleated the lamb sweetly.
"Oh, you poor dear lamb," growled Honey Bear kindly. "You should rest."

"Why don't you go up to our cave and take a nap. You will find it cool and pleasant."

"Baa, baa, baa, that is very kind of you," said Sweet Face. "I do believe I'll do that."

So the other Puddle Muddlers started off to work in their vegetable garden.

"Can't I help you?" asked Sweet Face, in a voice so sweet but so weary that they hadn't the heart to take the lamb to work.

"We'll get along all right," said Willy Nilly.

"Oh, but I want to help," said Sweet Face.
"We know you do," said Willy Nilly, looking affectionately at the lamb. "But you're tired now and we're not."

"If I insist," bleated the lamb, and went up to the cool cave.
"He's so ready to help," cackled Top Notch.

Christopher flew up to his tree so he could have a good cool look at Sweet Face as he went to the cave. There were some old leaves there for a bed and the cave was certainly lovely and cool.

But he had not been there for long when he heard strange voices. Two men with ragged clothes were talking.

"We might make that cave our home for a while," said one.

Tomorrow—"The Tramps"

POET IS 'NO POLITICIAN' M'Groarty Not to Run Again

LOS ANGELES, Aug. 21 (P)—Most men who get into politics try to remain in them, but John Steven McGroarty, the poet laureate of California who forsook his books to become a congressman, wants to forget about what he calls "the Science of Getting Votes."

McGroarty, affectionately known by his neighbors as the old, gray poet of the Verdugo hills, 73 years of age yesterday, he said he will retire from politics at the conclusion of the second session of the 74th congress beginning in January. But there is an "if" to his contemplated retirement.

"No Politician"
"I am wholly sincere and emphatic when I say I want to quit congress to which I have been elected for my first term," said the poet. "I don't believe I'm cut out to be a politician. I'm a writer, and I'd rather be with my books. But, if my friends insist on putting me up as a candidate for reelection, I'll go back. However, I'm not going to campaign one bit."

McGroarty is a democrat, elected from the strong republican Eleventh district.
"I like people," said the poet, who contributes a weekly page on philosophy on life to the Los Angeles Times, exceedingly pro-republican in policy. "I value friendship. It's one of the greatest things in life. I feel that if I hadn't had a lot of friends I never would have been elected in this republican stronghold."

Backs Townsend Plan
McGroarty was the chief proponent of the Townsend old age pension plan in congress. For it he sees ultimate victory.
"A congressman can have ideals and get by with them in the house," said. "There are some mighty fine men in congress. But what the country needs there are fewer lawyers and more newspapermen and farmers."

event of the discontinuance of said aid by reason of fraud or upon the death of such person, the board of supervisors may take such legal action as may be necessary to recover the amount of said aid paid to such person and to enforce said lien."

Combined Property
Webb said:
"The maximum of \$500 personal property does not apply to the combined personal property of husband and wife and each of a couple may retain personal property to the value of \$500.

"While section 174 of the civil code states in effect that if a husband neglects to make adequate provision for the support of his wife any aid supplied by such necessities may recover the reasonable value thereof from the husband, and section 176 of the civil code provides that the wife must support her husband out of her separate property, the wife is under no obligation to support herself, yet the provisions of section 4 of the act, as amended, in our opinion limit the real property which may be held subject to the lien to the property which is actually owned by the applicant."

"Section 4 of the act provides in effect that the aid granted constitutes a debt and that recovery may be had out of any property of the recipient not exempt from execution. The section further provides in case aid is granted to any person, the performing of the specified notice shall have the force, effect and priority of a lien of a judgment against said person."

Lien Against Property
"It is our view that the lien is effective against the whole community property where the husband is the recipient of aid, but not against the wife's interest in the community property where the wife is the recipient of aid, and that the lien is not effective against the separate property of a spouse unless such spouse owns the separate property and is the recipient of aid."

"If a recipient of aid prior to September 15, 1935 continues to receive aid after the effective date of the amendment, then the aid granted is a debt of such recipient and recovery may be had out of any property of the recipient not exempt from execution, because such person by the receipt of aid has subscribed to the conditions of the act, as amended."

"However, in the event that the recipient of aid prior to September 15, 1935, does not continue to receive aid after the effective date of the amendment, then it is extremely doubtful whether the lien may be enforced against the property for aid granted prior to the effective date of the amendment."

Explains Section 9
Section 9 of the act, which reads as follows, was explained by the attorney general's office:

"If the board of supervisors shall deem it necessary, it may, with the consent of the state department, require as a condition to the grant or continuance of aid in any case, that all or any part of the property of a person applying for aid be transferred to the board of supervisors. Such property shall be managed by said board of supervisors which shall pay the net income thereof to such person; said board of supervisors shall have the power to sell, lease or transfer such property or to defend and prosecute all suits concerning it and to pay all just claims against it and to do all things necessary for the protection, preservation and management thereof. If, in the event such aid is discontinued during the life time of such person, the property thus transferred to the board of supervisors exceeds the total amount paid as aid under this act, the remainder of such property shall be returned to such person; and in the event of his death such remainder shall be considered as the property of the deceased for proper administration proceedings. The board shall execute and deliver all instruments necessary to give effect to this section."

"The act, as amended, is silent as to what procedure should be pursued when the board of supervisors of a county has taken title by deed to the property of a recipient of aid under section 9."

Deed as Security
"However, it should be noted that such deed was taken as security for the reimbursement of the aid advanced, and in the absence of any express authority in the amended act for the surrender or redemption of the property to the recipient of aid upon the effective date of the amended act, it would seem that the title to the property should be permitted to stand in the board of supervisors and the property should not

PLANES RACE EAST LATE IN AUGUST

LOS ANGELES, Aug. 21 (P)—Blazing speed and aerial reliability will be tested in two sharply contrasting aviation races starting from here in the next few days.

Both are in conjunction with the National Air races opening in Cleveland August 30.

In the speed race, upwards of a score of flying bullets will aim at bettering the West-East transcontinental record held by Col. Roscoe Turner, himself an entrant. The record, set last year, is 10 hours and 2 minutes.

In the reliability race, sponsored by Ruth Chatterton, motion picture actress, performance will be emphasized above speed.
The speed race, with \$17,500 to be divided among the first three places, will start the morning of August 30. The first plane to reach Cleveland is the winner, but the pilots will continue on to New York with additional prize money at stake in an effort to better Turner's mark. This race has been an annual event since 1928, and was won last year by Doug Davis, killed accidentally a few days after his victory.

The Ruth Chatterton Sportsman Trot Derby, open only to amateur pilots, will start on August 25 and proceed by easy stages to Cleveland, arriving August 30 when Miss Chatterton will officially open the air races. At stake is a \$1000 prize and a trophy.

TROTT ADDS TO WATCH SERVICE

Starting in Santa Ana four and a half years ago as a one-man shop at 506 North Broadway, H. R. Trott, today has three benches occupied by experienced watch repair men, busy daily attending to the large volume of business entrusted to him.

Elsewhere in this issue of The Journal will sound an announcement by Mr. Trott of the purchase of the repair department of the Carl Strock Jewelry store, including its repair department.

With the purchase of the store also went William Mulholland, veteran watchmaker, who was connected with the Strock store for the past 12 years. Those who know Mr. Mulholland know of his high class work, and he solicits a continuation of their business for the future.

"I attribute the increase in my business," stated Mr. Trott, "to the fact that I have always endeavored to handle only the highest class of merchandise and to render to my patrons the kind of repair work that will cause them to say a good word in my behalf to their friends and neighbors. I have in this way built a business from nothing to one that I am proud of, and which I will strive at all times to increase."

The first literary work of Arthur Schnitzler, the Austrian playwright and novelist, was "Anatol," a series of dramatic sketches of the love affairs of a rich young Viennese.

Feeling Well Today?

By DR. IAGO GALDSTON
Harelip and Cleft Palate

Fairly common developmental defects are harelip and cleft palate. The two frequently are associated. There are instances, however, in which there is a harelip with the palate intact.

Precisely what is responsible for these defects we do not know. There is apparently some hereditary factor involved, but that is only giving a name to our ignorance.

Not Rare in Negroes
Cleft palate occurs among all nationalities and races. It has been reported even among the Africans and the South Sea Islanders. These races are mentioned specifically because there is an impression that the deformity is very rare among the negroes.

Split palate does not afflict man alone. Specific instances of the deformity have been reported seen in the lion, horse, dog, cat and cow.

The correction of harelip is essentially a problem of improving the sufferer's appearance. Modern surgery does well and if an operation is performed as early as possible, excellent results frequently are obtained.

Talks to Parents

By BROOKE PETERS CHURCH

Managing Mamma

Mrs. X was a managing mamma. She prided herself on knowing all about her children all the time—where they were, what they were saying and doing, even what they were thinking. When they were little things it seemed natural enough, for people credit fairy children with very little desire for independent thought and action.

But as they grew older and more enterprising Mrs. X's untiring pursuit of the youngsters became more pronounced. She followed them to school and kept close watch over their work and play there, hob-nobbing with teachers and principal. She interested herself in the scout movement so as to keep in touch with her children's friends and companions.

Making Town Safe
She went into various kinds of civic work to make the town safe for her children. The papers frequently printed letters in which

she advocated measures which would benefit the children—all this, of course, but everyone knew that she was thinking primarily of her own.

And the children for whom she did all this work, for whom she gave her whole life, wearing herself out and neglecting husband and friends? One of them went through life with a scowl on his face and a chip on his shoulder.

Resented His Mother
He resented his mother and her prying and kept secret everything that he could. Not for worlds would he tell her of his life. He was a milk-sop, unable to stand on his own feet or make his own decisions.

Too much interference, too much guiding and watching a child is worse than too little. If he is naturally independent it antagonizes him, if he is naturally clinging it makes a weakling of him.

SCHOOL BOARD ISSUES CALL FOR \$180,000 BOND ELECTION

SEEK MONEY TO FINISH BUILDINGS

\$148,000 Federal Grant To Be Sought; Fixing Of Gym Abandoned

The Santa Ana Board of education last night adopted a resolution calling for a \$180,000 bond election for the purpose of raising sufficient funds to complete the \$328,000 high school and Julia Lathrop Junior High school building projects. George Newcom, secretary of the board, was authorized to fill out necessary application blanks requesting a grant of \$148,000 from federal public works administration funds, and \$28,000 of the amount needed to complete the program will be held as a contingency fund.

In passing the resolution, offered by Rolla Hays, the board definitely decided to exclude any plans for rebuilding or repairing the present gymnasium at the high school. A recent inspection of the building led authorities to believe that it is absolutely safe for occupancy in its present condition. It was originally estimated that certain repairs and changes in the structure would cost approximately \$4000.

The estimates used as a basis for the program were presented by J. E. Allison, of the Los Angeles firm of Allison and Allison, architects for the high school project, and Fred Eley, Santa Ana architect, who completed the plans for the Julia Lathrop auditorium. According to Mr. Allison's estimates, block B of the high school program will cost \$59,000, block C \$66,000, and block E \$55,000. Mr. Eley estimated that the new auditorium will cost \$105,000.

It was stipulated in the resolution that the bond issue would be called for only after the request for PWA funds had received the approval of federal authorities. It also was agreed by board members that the bonds would be retired over a period of 20 years, with one-twentieth of the total of \$180,000 being retired annually. The bonds would carry 4 per cent interest to be payable semi-annually.

One of Anaheim Park's Features Is its Prized Collection of Dahlias

(This is the fourteenth of a series of articles having to do with the establishment and development of the Anaheim city park, one of the outstanding cultural and recreational institutions of Southern California. The series is intended to be informative to those cities which do not enjoy park facilities. Santa Ana is listed in the latter category.)

By ROCH BRADSHAW

Rudolph Boysen, superintendent of Anaheim City park, squinted at the sun today and prayed for cooler weather. Not that he was uncomfortable himself; it was his dahlias he was thinking about. Mr. Boysen, who gets really enthusiastic over dahlias, has concluded that this popular flower thrives better when there's a touch of coolness in the summer air.

The dahlias form a splash of varied color near the western end of the lily pond. They are all prize-winning selected blooms and their nodding heads beckon to all flower lovers who come to the Anaheim park.

Dark Shades Thrive

Mr. Boysen has a belief about dahlias. In addition to his preference for cool weather, he has found that the darker shades thrive better in this climate. These two suggestions were just a couple of tips that he dropped while calling attention to some of the plants that he has found particularly interesting.

"There's Jane Cowl over there, one of the oldest favorites," he remarked. "And Color Sergeant. He's done well for 10 years, too. Murphy's masterpiece, that red one, has held its head up through years of competition."

One by one, the park superintendent pointed out the blooms and told of their characteristics. He called attention to King Midas, who got his name probably because of his golden yellow color. Jean Trimbee was another that caught his eye, a purple dahlia that has done well for 10 or 12 years. Martha Epperlee, a large bronze bloom, also came in for a word of praise.

One "Foreigner"

Tang is the only foreigner of note, having come from Japan. Mr. Boysen explained that Tang, a lower growing plant than most of the dahlias, is one of the best imports from Japan. Chien Chien, a lower growing plant than most of the dahlias, is one of the best imports from Japan.

Other dahlias in the garden include the Golden Goblin, Kathleen Morris, Sonny Boy, Palo Alto, Jim Moore, June Justice, Montalvo, Nanaquaket, Antanctica, Meadowbrook, Jean Keefe, Sanhican Queen, Prince of Persia, Eagle Rock, Superba, Washington Giant, Amelia Earhart, Dwight Morrow, Buckeye Bride, City of Wellston, Saladin, E. L. Sheppard, Mrs. L. L. Hook, Monmouth Champion, Monmouth General, and Thomas E. Edison.

SHUTDOWN OF 3 PROJECTS PROTESTED

Rumored inclusion of the Villa Park storm drain, Batavia street storm drain and Santiago parkway projects in the shutdown of all SERA work scheduled for tomorrow drew protests yesterday from the board of supervisors and M. N. Thompson, county flood control engineer.

Authorized by Willard Smith, acting chairman of the board of supervisors, Mr. Thompson sent a telegram to E. G. Bangs, director of the public works division at San Francisco, protesting any cessation of work on the Villa Park project, declaring that costly lawsuits and possible loss of life might follow such action.

Mr. Smith signed another telegram protesting the rumored closing down of all three projects. In his telegram Mr. Thompson informed Mr. Bangs that orders for all material to be furnished by the county for the Villa Park project have been placed. Construction is only 32 per cent complete. If the job is not completed before the rainy season starts, the telegram said, there will be a large loss to both the county and the agricultural area. The open excavation, he pointed out, would be a serious menace to traffic and might result in lawsuits and possible loss of life.

20,000 JOBS IN STATE, SAYS HEAD

SAN FRANCISCO, Aug. 21. (AP) Twenty thousand agricultural jobs are available in California, state emergency relief officials say, for persons who will be removed from SERA payrolls by suspension of the work tomorrow.

Frank Y. McLaughlin, state relief administrator, received reports in Los Angeles that 12,000 jobs are open in the fields and orchards of Sonoma, Napa, Mendocino and Lake counties and 8000 more near Los Angeles.

Waterfront employers here said they were unable to find enough men for longshore work on I. L. A. rolls and that about 200 jobs were available.

As result of the halting of all SERA work projects, 107,000 Californians will be transferred to direct relief.

McLaughlin announced yesterday that prevailing wages under the SERA will be changed to security wages under the Works Progress administration when it gets under way.

"This program," he said, "will provide work the month around for clients, giving them a much better deal than they have been getting under SERA where they work but a few hours a day."

McLaughlin said he believed the WPA projects would be placed well under way during September.

BEING SAVED A DOUBLE PLEASURE

And many will find it so if Atlantic City decides to use the bevy of pretty girls being trained for possible emergency use as life guards. Here Bunny Hanstein and Grace McGowan, two candidates, find out what a lifeboat's all about. (Associated Press Photo)

FLEET GAMES NEAR CANAL IN 1936

WASHINGTON, Aug. 21. (AP) The fleet will hold its 1936 maneuvers in waters off the western end of the Panama canal.

Colonel Henry L. Roosevelt, assistant secretary of the navy, making the announcement today, said that "following the well established custom of holding annual fleet maneuvers in different strategic areas and American territorial waters contiguous thereto, fleet problem 17 will be held in the Panama-Western Central America coast area."

He added that the heavy cruiser division probably would circle South America after the maneuvers, and other vessels would visit Atlantic and gulf ports.

The fleet will leave the West coast late in April and complete war games at the end of May.

Asked whether protests in the Japanese press against holding this year's maneuvers in the triangle bounded by Hawaii, Puget Sound and Alaska prompted the action, Mr. Roosevelt referred the matter to Admiral William H. Standley.

"Admiral F. B. Upham, commander of the Asiatic fleet, did not find any Japanese criticisms when he visited Japan," Standley insisted.

MANY FEDERAL POSTS OPEN

Civil service examinations for a variety of federal office, scientific and other positions were announced today.

These positions include the following classifications: bacteriologists, \$3200 to \$4600 a year; cytologists, \$3200 to \$4600; epidemiologists, \$2200 to \$4600; mycologists, medical, \$2600 to \$4600; senior pathologist, medical, \$4600; senior stenographer, \$1620; junior stenographer, \$1440; senior typist, \$1440; junior typist, \$1260; refugee superintendent, \$3800; associate refugee manager, \$300; assistant refugee manager, \$2700, and sheet metal worker, \$1680.

Stenographers and typists who plan to compete in the civil service tests must file their applications by September 10. Applications must be filed with the manager, two United States civil service district, room 314 at 995 Market street, San Francisco. Examinations are open only to men in California, as there is an ample list of women eligibles.

Applicants must have reached their eighteenth birthday on or before the date of the close of receipt of applications. These limits do not apply to persons granted preference because of naval or military service, but such applicants must not have reached the retirement age.

Additional information may be secured from Frank Cannon, secretary of the civil service board of examiners, at the postoffice.

WIDER STAIRWAY TO HELP SHOPPERS

In order to improve the accessibility of the basement merchandising department of the Famous Department store, Manager Peter Colanichick is having a wide stairway placed in the center of the main floor. Workmen are now engaged in making the alterations. Manager Colanichick has recently made a number of changes in the stock arrangement which has added to the convenience of shoppers.

Two plays, "When Morning Breaks" and "The Three Bears," will be given by the dramatics class of the playground department in tomorrow morning's story hour at Julia Lathrop library, Juanita Wallace Lake, director of the story hour, said today.

The hour will begin at 10:30 o'clock.

PLAYGROUND GROUP OFFERS PLAYS

Two plays, "When Morning Breaks" and "The Three Bears," will be given by the dramatics class of the playground department in tomorrow morning's story hour at Julia Lathrop library, Juanita Wallace Lake, director of the story hour, said today.

The hour will begin at 10:30 o'clock.

GENERAL JAMIESON DIES IN FLORIDA

OCALA, Fla., Brigadier-General Charles C. Jamieson, 79, retired, died early today.

PONS MADE PRESIDENT OF ECUADOR

QUITO, Ecuador. — Antonio Pons, former minister of government, was sworn in as president of Ecuador today to succeed former President Jose M. Velasco Ibarra, arrested last night.

MRS. DODGE MARRIES FORMER NEW YORKER

BRACKNELL, Berkshire, Eng. Timothy Godde, former New Yorker, married Mrs. Delphine Dodge Baker in the local registry office today.

The bride is the daughter of the late Horace Dodge, motor car manufacturer, and widow of Raymond T. Baker, former director of the United States mint.

TO SCRAP OLD SHIP

SOUTHAMPTON, Aug. 21. (AP) — The famous old S. S. Olympic has been placed on the scrapping list by the Cunard-White Star line. Until the recent launching of the S. S. Queen Mary, it was the largest ship on the line.

KILLS RATTLER IN BACK YARD

Manson Rouse, deputy internal revenue collector with offices in the federal building here, has a deep dislike for rattlesnakes. Especially when he finds the noisy reptiles in his backyard.

Mr. Rouse's home is in Villa Park, near the foothills north of Orange, and among other things, he and his wife have several pet cats.

Monday night, when Mr. and Mrs. Rouse returned from a meeting, Mrs. Rouse went out into the back yard to feed her pets. One of the cats was seen to be playing with a snake. Mrs. Rouse didn't know it was a rattler. However, so far as she is concerned, a snake's a snake, and she doesn't care for any of them.

She called Mr. Rouse, and he came armed with a shotgun. The rattler sounded an alarm. Mr. Rouse aimed in the general direction of the buzzing, and fired. The snake was killed, it proving to be a large one. The rattles, however, were destroyed by the shot, and Mr. Rouse has only a few fragments left to show friends.

WILL ROGERS BOWL IS PLANNED

SANTA BARBARA, Aug. 21. (AP) — The Will Rogers bowl is contemplated here as a memorial to Will Rogers.

Supervisor Sam Stanwood, in charge of the new stadium project, planned to be a new music symphony bowl center in the west, as well as a recreational park, approved proposals that it be dedicated to the humorist.

HERE'S HOW TO GET TANNED

Redheads Need More Iron

SAN FRANCISCO, Aug. 21. (AP) — Redheads, you can sunbathe with your brunette sisters or brothers now without suffering the agonies of sunburn!

But first you must treat your "pasty white" skin with an iron solution and take internal iron treatment.

Furthermore, if your mother had given you a diet containing sufficient iron you could laze in the sun without suffering—and that's something for an auburn-haired miss, for there are few redheads who can, science attests.

Dr. Howard L. Elder, staff physician of the Santa Barbara, Calif., clinic, reported to the American Chemical society results of experiments disclosing that the red-headed, fair-skinned type of person prone to sunburn painfully from even slight exposure, yet who would almost anything to acquire a healthy color, can get it with safety through the use of iron therapy.

Iron treatments will improve the pigmentation of the fair-skinned person and cure the super-sensitiveness to sunburn, he said.

PRODUCTION BY MARRIAGE LAW HERDS HIGHER CHANGE TOLD

Through consistent testing, breeding and feeding practices, Orange county dairymen generally have built up their herds to high production levels, according to Assistant Farm Advisor W. M. Cory, who today announced that the July summary of the cow-testing association shows an average increase of six-tenths of a pound of butterfat over that of the corresponding period last year.

The aggregate increase for the total number of cows tested by the association amounted to \$55 pounds of butterfat, which would bring \$448 to \$525 per pound, said Mr. Cory.

Upon completion of the August test, herd books will be summarized for the test year and reports showing the total production for each cow and the total for the herd will be compiled.

TO TEST WIND'S POSSIBLE EFFECT ON TEMPERATURE

Whether winds are temperamental enough to have any relation to temperature may be determined in tests to be made in and near the Heiland orchards five miles southwest of Santa Ana. According to Farm Advisor Harold Wahlberg, two anemometer stations have been established in that locality. Thermometers will correlate temperatures and wind behavior.

One of the prime purposes of the project is to measure the beneficial effects of windbreak protection in the coastal district of Orange county. The Heiland orchards offer a typical environment for comparative observations on wind velocities inside and outside of windbreak influences, Mr. Wahlberg said.

Wendell Heil, manager of the orchards, will make regular observations and report to the farm advisor's office. The instruments, which belong to the department of agriculture, formerly were located on the H. H. Gardner ranch north of Villa Park, to test efficiency of lattice windbreaks.

WARNS AGAINST SWINDLER HERE

Harry Edwards, veterans' welfare officer, today issued a warning to housewives against a house-to-house canvasser working in Santa Ana. Police and deputy sheriffs also are looking for him on charges of obtaining money under false pretenses.

According to Mr. Edwards the man is peddling extracts, mothballs, shaving soap and other items of household use. He collects cash for the items sold and fails to make delivery. Housewives are urged to call Mr. Edwards at phone 3600, should the man make another appearance.

COUNTY AUTOS ARE INSURED

Contract for furnishing public liability and property damage insurance on all motor vehicles operated by the county was awarded by the board of supervisors late yesterday to the Western Casualty and Surety company on its low bid of \$2151.62. The bid was made through G. H. Sattler of Fullerton.

Under terms of the policy the 421 pieces of motorized equipment operated by the county will receive coverage to the extent of \$5000 property damage, \$50,000 personal liability for injury to one person and \$100,000 for more than one person.

Unsuccessful bidders and the amounts of their bids were: Hill and Hill, Santa Ana, Indemnity Insurance of North America, \$3,721.02; Orange County Insurance agency, Santa Ana, Central Surety and Insurance corporation, \$3,022.56; M. E. Beebe, Anaheim; E. M. Sundquist, Santa Ana; F. A. Crooke, Fullerton; H. T. Watson, Huntington Beach, and R. M. Royalty, Anaheim, representing the General Casualty company of America, \$2,575.84.

COUPLE WEDDED IN SANTA ANA, TO MAKE HOME IN PICO

Mr. and Mrs. "Jack" Marvin Spradling (Mildred Owen), who were married last Sunday afternoon at 2 o'clock in Santa Ana Spurgeon Memorial Methodist church, are soon to conclude their wedding trip and establish residence in Pico. The Rev. George B. Wittsie solemnized the wedding rites.

Mr. and Mrs. O. H. Spradling, brother and sister-in-law of the bridegroom, attended the couple.

Club Activities, Wedding and Dinner Party Add Gaiety to 'Our Village'

Laguna Beach Is Scene of Summer Fun

University Women to Hear Pomona Prof.; Garden Club Busy

Some cities quiet down and do little or nothing in a social way during the summer months—but not Laguna Beach!

In addition to all the sun-swimming that attracts hundreds daily to the shoreline of Our Village, there are club meetings, weddings in the picturesque Laguna churches, and parties aplenty to remind one that there's still a social whirl to be considered.

To Hear Pomona
Laguna Beach Women's University club will meet at Hotel Laguna tomorrow evening, at 8 o'clock to hear Dr. A. W. Hilroy of Pomona college, noted zoologist and anthropologist, discuss "Marine Life." He will have lantern slide illustrations.

Dr. Hilroy, who is head of the Pomona College Marine Laboratory in Laguna will talk particularly of marine life along Laguna shores and will also touch briefly his experiences and archaeological findings made during a recent study of prehistoric antiquities in Mexico.

A number of visiting and nationally known university women have shown interest in the local university club and are expected to attend, it was learned. The last meeting, held at the home of Mrs. William A. Griffith, was attended by such visitors as Dr. Sylvia Wilson, Boston University; Miss Mary E. Case, Oberlin; Miss Marion E. Rose, Smith college; Miss Cora McKinley, Lewis Institute; Mrs. Alice Rowlands, Carroll College; Miss Mary E. Cummings, Cornell and Washington Universities, and Miss Margaret Dean, University of California.

The meeting is open to the public and members are being invited to bring their friends.

Garden Club to Meet
The annual midsummer party of the Laguna Beach Garden club will be held in the home of Mrs. W. B. Palmer in Laguna Friday afternoon.

A special program, of which Mrs. Gene Douglas is chairman, is planned for the afternoon. Refreshments will be served by the hostess.

Wedding Stated
Of interest to young people in Laguna this was the announcement that Miss Stella Harris, daughter of William J. Harris of 1762 Glenview street and William Paul Schleicher, son of Mrs. Lydia Schleicher, 412 Myrtle street, will be married in St. Mary's Episcopal church, Laguna, Saturday evening at 8 o'clock.

Miss Harris is widely known in Laguna and has appeared in many plays in the past few years. She was graduated from Hollywood High school and Miles Art school in Los Angeles. Mr. Schleicher is director of the Tom Sawyer camp for boys in Laguna in the summer months and an athletic instructor in the Harvey House Academy in Altadena, winters.

Miss Ida Harris, sister of the bride, will be maid of honor and Miss Evangeline Huntley Smith of Glendale, bridesmaid. Albert Schleicher, brother of the bridegroom, will be best man. Daniel F. Grant will be organist, and Mrs. Raymond A. Harris will be soloist. The wedding will be solemnized by the Rev. John Atwell of San Gabriel.

Old Friends Meet
Mrs. James W. Gill of Laguna Beach was hostess to a group of Santa Ana women with a pot-luck dinner in her home at Laguna Beach last evening. The women had not seen each other since they worked in the same Santa Ana store five years ago, and the reunion party given by Mrs. Gill was the occasion for their meeting and talking over old times.

Guests were Mrs. Ray Trotter (Edith Cleveland), and Misses Wm. Wood, Jenette Stassin, and Florence Bismar of Santa Ana; Miss Bess Brandon of San Bernardino, and Miss Clara Veeh of Orange.

'If In Doubt'

N. F.: Excepting for her flowers, every item of a bridesmaid or flower girl, thought given by the bride, must be paid for by the wearer.

This coat comes straight from the Paris winter fashion shows and is designed for the college girl. Crede makes it of blue and brown tweed colored in beaver. The hat is a blue grey felt finished with a brown quill and band, the frock brown wool.

SANTA ANA BOYS BRING HOME COLORADO BRIDES

Surprising family and friends, two Santa Ana boys came home last week bringing with them brides from Sanford, Colo., where they had been working.

Richard Williams, son of Mrs. G. S. Crowell of 520 West Fifth street, and Carl Alden, son of Mr. and Mrs. Carl Alden sr. of 1209 South Ross street, served as best man for each other, and their brides were attendants, at weddings, solemnized in Taos, N. M.

Mr. Williams married Miss Louise Moss on July 27, while his bride married a friend of Miss Moss, Evelyn Nielsen, on Aug. 11.

The marriages were prefaced by short romances when the boys went to work in Sanford early in the summer.

Both of boys attended Santa Ana High school. They will reside in Santa Ana.

LAGUNAN DECLARES PUBLIC WILLING TO BE LED BY NOSE

"Too many of us are willing to be led by the nose" when it comes to a critical viewpoint of art," George K. Brandriff, president of the Laguna Beach art gallery, told a radio audience Monday.

Art is present in nearly all our activities, whether home and garden, window display or personal attire, he added.

"The Laguna art gallery," the Lagunan said, "is unusual in that both artists and members own the gallery, with a total membership of 1063."

Asked about eccentric art, Mr. Brandriff said, "There is a natural tendency in all of us to exaggerate, and this type of art is a visual form of exaggeration up to and often going beyond the point of caricature."

BAPTIST WOMEN PLAN FOR SHOWER

Women of the First Baptist church are sponsoring a shower and reception for the Rev. Jose Zamora and his bride, of the Mexican church in Garden Grove, tomorrow night at 7:45 o'clock at the Baptist church.

Friends and members are invited to attend.

The Cook's Own Corner

The Journal wants to give its readers at least one tasty tried-and-true recipe each day.

PEACH-FIG CAKE

By Mrs. George Faires 503 South Parton

Ingredients: Two tablespoons of Crisco, ½ cup sugar, 1 egg beaten until light, 1 cup flour, ¼ teaspoon salt, 2 teaspoons baking powder, ½ cup hot water.

Sift flour twice with dry ingredients. Add water to flour alternately. Put dough in pan and spread over with 2 cups of sliced peaches and figs.

Sprinkle with 2 teaspoons of cinnamon and ½ cup of sugar. Let set 10 minutes and then bake 30 minutes in slow oven. Serve with sauce or whipped cream.

WRIGHT HOME TO BE SCENE OF S. O. O. B. PARTY

Change of place for the Social Order of Beaucant card party Aug. 28 was announced today when Mrs. W. A. Wright's home at 421 Orange avenue was set as the scene of the event.

Contract and auction bridge will be played, beginning at 2 o'clock. Committee appointments included Mrs. L. L. Whitson, chairman of refreshments, Mrs. C. L. Neuschwager, Mrs. M. Menges, Mrs. J. C. Dunphy, tickets; Mrs. H. C. Thompson, tables; Mrs. B. E. Dawson, cards and tallies, and Mrs. Arthur Koepsel, chairman of prizes.

DINNER PARTY IS GIVEN TO HONOR MISSOURI GUESTS

Compliments were extended to Mr. and Mrs. Edmond Vaughan and daughter, Elizabeth, of Lexington, Mo., at a dinner party Sunday at the home of Mr. and Mrs. Charles Neer of 519 East Pine street.

Mrs. Vaughan was formerly Mrs. Henry Seidel of Santa Ana.

In addition to the honored guests were Mrs. L. A. Bowes and daughters, Mary Ellen and Doris, of Fresno; Mr. and Mrs. Homer Neer, Mr. and Mrs. Claud Neer and children, Dean and Carol Ann; Mrs. Thomas Neer (Hazel Cartwright) and Mrs. Louis Davis of Los Angeles.

Mrs. Elizabeth Smithwick was a guest during the evening.

On their way here, the Vaughans visited Yellowstone National park and spent a week visiting Mrs. Vaughan's brother and family, Mr. and Mrs. Earl Neer, at Springfield, Ore. The Vaughans expect to spend a month in Southern California.

NURSES AT WORK AGAIN AFTER WEEK AT SPRINGS

Nurses of district 16, California State Nurses association, are back at work this week, greatly refreshed after being guests last week at the San Juan Capistrano Hot Springs cabin of Miss Grace Johnson last week.

Mrs. Helen Tedford and Mrs. Walter Fine spent the entire week at the cabin, and the others came and went as they could.

Other guests were Loretta Kelly, Frances Goodhue and Ann Stoltz, Lockhart, Leona Wunderlich, Lucille Leigh, Lydia Neumeyer, Faye Tarven, June Sears, Harriet Ayers, Edith Tedford, Betty Swanson, Carrie Morris and Marie Foldes.

VISITING RELATIVES FETED AT BARBECUE

The fireside pit of the outdoor summer home of Dr. Roy Horton and Mrs. Horton at 315 Cypress street was the scene Saturday evening of an informal celebration, honoring out-of-town relatives.

Following the barbecue supper, the guests pulled up their chairs to the fire and chatted. Present were Mr. and Mrs. Edwin Reeves of Terra Bella and children, Jean and Billy; Mr. and Mrs. Ralph Hughes of Wahpeton, N. D.; Mrs. Fannie Reeves, Miss Carrie Seaton and the Horton family.

Reception Is Given For Browns

Briefs on an American life as a school teacher in a Japanese college were portrayed last night for members of the Two-in-One class at a reception for Mr. and Mrs. Delmer Brown in the First Methodist church. The Browns are sailing Monday for Kanazawa in Japan where Mr. Brown will resume his teaching.

Moving pictures of the Browns' home, the school where Mr. Brown teaches, and students of the institution were shown by Mr. Brown.

Preceding the showing of movies, a musical program was presented. Ann Wetherell sang "At My Window," accompanied by her mother, Mrs. Harry Wetherell. Ann and Phyllis Wetherell followed with a duet. Olive Schwartz played two piano solos. Two Japanese solos were presented by Margaret Davies. S. S. Vogt acted as master of ceremonies for the occasion.

Punch and wafers were served by Mrs. R. E. Brown and her daughters, Marjorie and Mary, assisted by Mrs. George Faires and her daughters, Jessie and Mary Ruth.

Present were Mr. and Mrs. Delmer Brown, Mr. and Mrs. R. E. Brown and children, Marjorie, Harvey and Mary; Dr. John Bower, Mrs. Bower, and daughter, Helen; Mr. and Mrs. R. I. Matthews and son, John; Mr. and Mrs. E. E. Ulrich and daughter, Harriett; Mr. and Mrs. Harry Wetherell and daughters, Phyllis and Ann; Mr. and Mrs. Harry Gardner; Mr. and Mrs. S. S. Vogt; Mr. and Mrs. R. H. Seaver; Mrs. Sam Long; A. V. Elston; E. W. Smith; Mr. and Mrs. C. N. Grace; Mr. and Mrs. T. P. McKee and daughter, Alice; Dr. C. E. Frandson and Mrs. Frandson; Mr. and Mrs. George Faires and daughters, Jessie and Mary Ruth; Margaret Davies; Richard Howland; Mr. Charles Blackburn; Mr. and Mrs. R. D. Garner and daughter, Olive; Mr. and Mrs. Ivan Grizzle; Mr. and Mrs. J. B. Head and children, Frances, David, and Mary Jane; Mr. and Mrs. Arthur Pearson; and Mr. and Mrs. James Metzgar and daughter, Marjorie.

JACK FISHER GROUP TO HAVE PICNIC AT PARK TONIGHT

"A picnicking we will go" is the call to Jack Fisher chapter and auxiliary members of the Disabled American Veterans tonight when an outdoor supper will be served at Jack Fisher park at 6:30 o'clock.

Prizes will be offered to winners of the athletic contests and games of the athletic chapter and for children. The chapter will furnish coffee, cream, sugar, rolls, butter and watermelon.

A short business session will be held during the picnic so that nominations can be made for officers of both chapter and auxiliary.

NEIGHBORS FEASTED AT CHICKEN DINNER

Neighbors of Woodcraft were bountifully feasted yesterday afternoon when Mrs. Louise Salats entertained the Thimble club at a chicken dinner at her home in Irvine.

Tail drinks of cool lemonade greeted the guests as they arrived, immediately followed by a chicken dinner. Present were Mesdames Abbie Young, Maggie Erickson, Florence Erthal, Sarah Auldin, Beattie Appleman and son, Dorothy Holbrook, Ethel Bramley, Nellie Brough, Sophie Bolm and Dora Morrow.

SOCIAL OUTLOOK

TOMORROW
Santa Ana Women's club—Garden art showing, discussion on cultivation of sweet peas, 2 p. m., in home of Mrs. G. A. Short, 1008 West Sixth street.

'Make It Brief' This Tot's Play

Frock By Marian Martin

PATTERN 9508
Youngsters need lots of room for their strenuous games of tag, and hide and seek, so Marian Martin has wisely included six deep pleats in this adorable little play frock as well as a good wide neck opening finished off with a cute Peter Pan collar. Puffed sleeves cover active shoulders while four buttons are simple but effective trimming. This is a pattern that can be put together in no time at all, and its wearer will undoubtedly want several just like it in other colors and materials. For play, percale or gingham tub well. Bloomers are included. Complete. Ordered from Marian Martin Sew Chart included.

Pattern 9508 may be ordered only in sizes 4, 6, 8, 10 and 12. Size 6 requires 2½ yards 36 inch fabric and ¼ yard contrasting.

Send FIFTEEN CENTS in coins or stamps (coins preferred) for EACH MARIAN MARTIN pattern. Be sure to write plainly your name, address, the STYLE NUMBER and SIZE of each pattern.

THE MARIAN MARTIN SUMMER PATTERN BOOK will lead your way to warm weather Chic! From its forty pages view the parade of clothes for every occasion for every member of the family. Designs all beautifully illustrated, patterns all easy to make. Styles for the small girl, the Dashing Deb, the Blushing Bride and the Mature Matron plus some useful hints and some delightful reading.

SEND FOR YOUR COPY NOW! PRICE OF BOOK FIFTEEN CENTS. BOOK AND PATTERN TOGETHER, TWENTY-FIVE CENTS.

Send your order to The Journal, Pattern Department, 117 E. Fifth street, Santa Ana, Calif.

W. B. SNOW FAMILY PARTY CELEBRATES TWO OCCASIONS

The recent wedding anniversary of Mr. and Mrs. W. B. Snow of 308 East Sixth street and the birthday anniversary of their son, Horace C. Snow of 1513 Spurgeon street, were celebrated at a recent family party in the Newport Beach summer home of the Leo Callands.

Mrs. Calland and her sister, Mrs. C. A. Robinson, shared hosts honors at a dinner, guests at which included the Snows, father and son, and their wives, the host couples, Mr. and Mrs. R. C. Patton, Mr. and Mrs. Bertram Snow and Mr. and Mrs. Alfred Cornwall.

The Callands are to leave early next month for San Diego, where Leo Calland will coach at San Diego State Teachers college.

Two To Speak At County Conclave

Harry E. Moss and Mrs. Alfred Kipp will give addresses in the afternoon session of the Orange County Federation of Women's clubs executive board meeting Wednesday at Huntington Beach, according to announcement received today from Mrs. S. W. Douglas of Fullerton, county corresponding secretary.

The business session, in charge of Mrs. Archibald M. Edwards, county president, will convene at 10 o'clock in the morning. Resume of state and district summer conferences is slated.

Huntington Beach Woman's club will serve luncheon, reservations for which are to be made with Mrs. Margaret Colvin, president, 122 Tenth street, Huntington Beach.

In the afternoon Mr. Moss will discuss "International Affairs," and Mrs. Alfred Kipp will discuss "The Viking Seas It Through." All clubwomen are eligible to attend.

Scrap From a Gardener's Scrapbook

By IDA D. DEAKINS

This time of year when I see so many beautiful annual vines in bloom, I always say, "Next spring I'll surely plant some seeds of that," and then do you do, as I forget until you see the blossoms again?

Right now I'm making a list and on that list are the dolichos, cobaea scandens, minia lobata and surely, lophaspermum scandens. The purple flowered dolichos like host of the several varieties. The seed pods are purple too and they and the flowers make lovely bouquets.

Cobaea scandens is commonly called "cathedral bells" and right so as the lavender blooms are bell shaped and hang from a green calyx. It grows rapidly and if not frozen will come from the roots the second spring. An annual vine I saw for the first time a few days ago is lophaspermum scandens. My first exclamation was "reheunmia" because it grows like a vine. The flowers are like a pinkish-lavender, but the leaves are smaller and not so coarse as squash. It is truly beautiful and if you are vine minded I know you'll like it. Minia lobata for a Spanish house is just the thing, with flowers changing from rosy crimson to orange and then to yellow, just the colors for inside and out.

The brightest spot in my garden right now is phlox drummondii. Bright red, pink, lavender, purple, buff and white. A real rainbow. I'm planting more seed next week so I'll have phlox this winter. It's not too late to plant yellow or klondyke cosmos if you like it. Yellow and white cosmos may be a prize winner at a late flower show last year.

Luther Burbank once said, "Every weed is only a misplaced flower," and someone else said, "A present were Mesdames A. F. Granas, Sam Butler and children, Josephine, Helen, Jim and Bill; Harry Gardner, C. C. Vogle and W. Walton of Anaheim, Russick and children, Jean and Bobby, and Miss Clara Richards.

The class plans to resume instruction in the fall and will hold its weekly sessions again.

Present were Mesdames A. F. Granas, Sam Butler and children, Josephine, Helen, Jim and Bill; Harry Gardner, C. C. Vogle and W. Walton of Anaheim, Russick and children, Jean and Bobby, and Miss Clara Richards.

Assembling for the first time this month, members of the weekly gym class taught by Mrs. R. R. Russick gathered at Irvine park for a picnic luncheon yesterday noon.

The class plans to resume instruction in the fall and will hold its weekly sessions again.

Mary Stoddard Man Comes to Rescue of Woman in Attack on Demands Husbands Make on Wives

At last comes a man who expresses what I've wondered about for a long time. Man is supposed to dominate the situation, being as independent as he chooses, with woman the helpless clinging vine who tends to his comfort, rears his children, cleans his house, does his every bidding, and remains a charming sweetheart.

The man on the other hand has the job of making a living, which often isn't as good as the one a modern girl could provide for herself, and nothing else. That's the story of it, but according to this reader, and I imagine hundreds of other men, few of the other sex feel themselves so all-powerful. After all they went into this marriage business on a 50-50 basis, providing the money to eat and sleep and have a little fun. Most wives have as much work on their end as do their husbands and it behooves the both of them to make the wedding peal have a prolonged echo.

Instead of telling the wife that she should be as sweet and alluring as before they were married, always willing to go out when her husband wants her to, we might suggest to the husband that he remember his wife may have had a dull week at home and a Saturday night party wouldn't hurt her at all.

What About Women?
Dear Miss Stoddard: Why all this piffle about "holding a man." Why can't women act natural even if they have to slam a door once in a while. Give me a woman with some spunk. The woman whose every act has to be weighed and measured to see if it pleases some man, becomes dull and uninteresting. All self expression is gone. Unless of course she broke up a home to get this said man. That would be different and she would have real cause for worry.

If we men are such softies that the minute the little woman fails to please us we begin to pout and look about for another who is more understanding we don't deserve to have any woman. Emotionally we are still babies.

At best life is a rough road. And traveling it is hardest on the woman. She has physical handicaps that are upsetting and if any one deserves consideration is certainly should be the woman.

Men who are not worthy of being alive have the nerve to talk about "womanly wiles" but where will one find a "manly man" these days.

Yours, A GENTLEMAN.

12 Years Old, Jerry McCain Has Party

Twelve years old yesterday, Jerry McCain, son of Mr. and Mrs. J. W. McCain of 1103 Hickory street, celebrated with a watermelon party at which his mother entertained for him at her home.

After playing games the boys were served iced watermelon and ice cream bars.

Guests included Homer Cheney, Allan Allhouse, Jack Gold, Harry Brough, Wayne Carothers and Phillip McCain, Jerry's brother.

'Curly Top' To West Coast

After shattering all records for attendance at the Broadway theater since the world premiere of "Peck's Bad Boy," Shirley Temple's new film, "Curly Top," will move from the Broadway over to the West Coast theater tomorrow for an extended run. Manager Lester J. Fountain announced today.

For the convenience of parents who do not want their children to miss this greatest of all Shirley pictures, arrangement have been made to show daily matinees at the West Coast during the extended run of "Curly Top," which will show at the West Coast through Saturday.

In "Curly Top," which is the story of a little girl who captures the heart of a lonely bachelor and makes both their dreams come true, Shirley has two new songs to sing and several new and intricate dance routines. In this comedy-drama, John Boles is cast as a bachelor who adopts Shirley and her big sister, Rochelle Hudson, taking them from a drab orphan home. Boles and Miss Hudson also contribute to the musical tone of picture, both singing new songs.

"Curly Top" will show at the Broadway tonight.

Torosa Rebekah lodge officers have been called to a meeting at the I. O. O

NEW LAWS WILL GUARD INVESTORS

California's Measures To Affect 187 Firms With Huge Assets

LOS ANGELES, Aug. 21.—Putting stronger fences about the savings of California people was a major project of the recent state legislature. It passed 10 laws that subsequently were signed by Gov. Frank P. Merriam to make important changes in the building and loan association act.

Affecting 187 active institutions with assets of \$294,000,000, the new legislation came largely as a result of the heavy losses which investors have incurred during recent years. Much of it was sponsored following an investigation of home finance companies by a special committee of the lower house.

The different bills vary in importance, but the one which is regarded as being of the greatest significance is an urgency measure that has three main applications, an extension of the state emergency regulation affecting building and loan associations, provisions of reorganization and rehabilitation of bankrupt institutions and granting permission for state chartered associations to take advantage of new federal laws affecting home financing.

Effective Until Feb. 1, 1937

If the emergency measures had not been extended they would have expired on September 1. But as the situation exists today, they will be effective until February 1, 1937. Subject to this law, restrictions continue upon the maximum rate of interest payments. Associations can pay no more than 40 per cent annually upon a relatively high fixed interest rate, and an official pointed out recently that serious difficulties would almost certainly have been experienced had not the moratorium been imposed.

Under the new laws, effective September 15, building and loan associations will be freed from this embarrassing situation in the future because they cannot issue shares providing for a fixed rate of return.

Outside Firms Forbidden

Reorganization and rehabilitation provisions of the legislation are viewed as especially important. Quite a number of institutions have been in serious trouble, and under this law they are allowed to write down their assets and issue new securities based upon real values. Provision also has been made for the conversion of state associations into federal savings and loan associations.

Two acts affecting foreign or out-of-state associations were passed by the legislature. One of them imposes additional restrictions upon such organizations, requiring them to keep assets and records within the state; the other prohibits new foreign associations from doing business in California. Another law limits the amount of any single loan to not more than 1 per cent of the association's total assets, but this rule does not apply if the loan is not in excess of \$10,000 and if it is approved by the commission on investments. Henceforth must also bear a notice that six months can be required as a period between the notice of withdrawal and actual payment of the funds.

Regulate Advertising
Withdrawal notices to building and loan associations under still the new law must also mention in installments if the claim is for more than \$250.

Regulation of advertising is provided by a separate act. It has four sections. Substantially, these require that:

1. Associations without the word building and loan in their official title must state so clearly in their advertising.
2. The state building and loan commission has the authority to require a text of any advertising placed by an association for its approval.
3. Associations cannot advertise that their certificates are legal trust investments unless they also declare that this is not a recommendation by the state.
4. Associations cannot advertise that they are under state supervision.

TEL. & TEL. SETS \$2.25 DIVIDEND

NEW YORK, Aug. 21. (AP)—American Telephone & Telegraph company directors today authorized the usual quarterly dividend of \$2.25 on the capital stock, which calls for a distribution of about \$42,000,000 among the company's 675,000 stockholders.

MODEST MAIDENS

"Father just got a ten dollar raise. And th' nerve of him! He expects mother to increase his allowance!"

CROSSWORD PUZZLE

ACROSS

1. Takes for granted
7. Removes the beard
13. Lodger
14. Nozzle through which air is forced into a forge
15. Asiatic native
16. Employ
18. Hasten
19. Nothing more than
20. Look stily
21. Finish
22. Subsequently
24. Exist
25. Dessert
28. Jewel
29. Walk
32. Disburden
34. From where
35. Arctic
36. That girl
37. Number
38. Pronoun
39. Pleading out
41. Viper
43. Line on which something revolves
44. Send out
45. Light bed
49. Fog
50. Written promise to pay

DOWN

1. Famous
2. Painful to the touch
3. Fly aloft
4. Flat or rounded
5. Myself
6. Burst forth
7. Guide the helm
8. Outer covering of corn
9. Forever
10. Acting with great force
11. Ireland
12. Ovoid
13. Appear
14. Edible seaweed
15. 100 square meters of land
16. Young dog
17. Daughter of Cadmus
18. Oblong with rounded ends
19. At that time
20. Playing card
21. Lair
22. Cereat grass
23. Sharp, shrill, more or less musical sound
24. Snow runners for the feet
25. Have being
26. Kind of fur
27. Genus of the maple tree
28. Bottom of the foot
29. So many it be
30. Greater quantity
31. Roman road
32. Spreads, as lay
33. Down: prefix
34. Type measure

HOMES FOR SALE 61

Satisfaction
In a Home

The satisfaction to be derived from
an owned home can only be ap-
preciated by those whose pleasure
it has been to possess one. This being
a buyers' market, you will find it
profitable as well as your greatest
pleasure. We submit a charming
3-bedroom English north side stu-
co, which includes every modern
convenience at a price much less
than its cost. Satisfactory terms
to the right party.

Suburban
Home

This also goes for the same on an
acre of excellent soil with all sorts
of fruit trees and possibilities as
its restriction and location are sup-
ported by a main boulevard.

Floral Park
Home Sites

Look them over, lying north of 17th
between and including Flower, He-
liotrope and Greenleaf streets. Get
our prices on your ideal home—
built anywhere.
